[New Chapter Form](#)

Welcome Sister! We are excited to hear why you would like to start your own Chapter. But first here are some things to consider.

- To become a Chapter Founder you **MUST** ride your own though Chapter members can be lady passengers or potential lady riders.
- We recommend 2-3 founders so the workload is shared but if you think you can run it yourself please do so. We will need each Founders info such as Name, BBB gmail, BBB Fb handle.
- Chapters are encouraged to pick a Charity to support. Though it does not have to be, we also encourage a Women Based Charity since we are an all women group.
- Chapters that choose a Charity should do at least one event per year as seen fit for their Chapter and Charity.
- When receiving any cash donations no Chapter of BBB is to profit off those donations.
- We recommend you hold at least 1 meet/greet/ride per month, weather permitting.
- Events and Meet/Greets don't always have to be women only. You can invite the spouses whenever so they know who their women are riding with, plus when it comes to Charity events the more the merrier right?!?
- Founders will need to set up a gmail account using name.backroadbikerbabes@gmail.com and then we'd like you to report to Mother Founders at least Quarterly (sooner if need be) any updates on your Chapter that way we can announce exciting news or special things happening within your Chapter etc to the Main BBB Facebook page and Website. We'd like a group picture of your Chapter once up and running with Members to add to Main FB and Website as well.
- No one other than the Mother Founders are allowed to make merch with our Name and Logo.
- Chapter Logo's will be created for you and samples sent for approval. Logo's will be specific to your State and City.
- We are not a Patch Club, so no large patches nor rockers are allowed, though there will be small patches made to order for your Chapter.
- Chapter #'s will be the area code you live in .

If you agree to all the above you are on the verge of creating something new and exciting for you and all other women riders near you. Please fill out the form below and return back to wildfire.backroadbikerbabes@gmail.com

By signing this form you are also stating you understand the Mother Founders are not responsible for any neglect or wrong doing from all other Chapters.
