**TO: SUPERVISOR AND BOARD OF TRUSTEES**  
**FROM: NELSON J. CANNON, CHIEF OF POLICE**  
**SUBJECT: ADMINISTRATIVE REPORT SINCE MARCH 2025 MEETING**  
**DATE: APRIL 10, 2025**

I know that the calendar say's Spring arrived three weeks ago, but this weather is a cold, stark reminder of Winter. How much longer is anybody's guess, but sooner is always better in my book.

My business activity kept us busy elsewhere, so GPD Activity was less than normal; we'll be back to normal pretty quick with Spring just around the corner. The Risk Reduction Grant was submitted in a timely manner; we should be hearing back within a couple of weeks. This grant was to repair our CCTV System, specifically the Park. Taffletown is still on their limited schedule; they're open next weekend for their Easter schedule. Getting quote for the installation of the new RadarSign; want to have that operational before Memorial day Weekend.

Kevin Rogols retired a little earlier than we expected, but Andrew Raymond was in the winds, and ready to assume his new role. We are continuing to work on the transition; very complex process, but we're making steady progress. KMHC Meeting Talking Points included with this report.

Spending a lot of time working through the DNR Grant Award Process; I think we have everything we need in place. We've got all phases to fit within our budget; which include opportunities to help ourselves reduce costs. Just need the DNR to approve the Award to our contractor. They are ready to get started...and so are we. Parks Board met has selected the playground equipment; we would like the Board to agree with our choice Will share copies at meeting. Park will be open to the Public by April 25; Volunteers will be prepping the park before then.

Hatley Road Site is being upgraded for Spring Clanup to enhance traffic flow; new overhead garage door being installed on the south end of Pole Barn this Spring.

## **Preliminary April 2025 Activity to Date:**

892-132-25 KPS Youth Program
