TO: SUPERVISOR AND BOARD OF TRUSTEES  
FROM: NELSON J. CANNON, CHIEF OF POLICE  
SUBJECT: ADMINISTRATIVE REPORT SINCE JUNE 2026 MEETING  
DATE: JULY 9, 2026

This summer reminds me of the "Good Old Days", when the days were hot, long and a little bit of everything was going on. Without a doubt, this is still our busiest time of the year. Traffic is off the charts, and the M-66 construction only aggravates the matter. While our hours are limited, I'm sure this is one of our busiest months ever. Amish Signs are \$200 each for sign and installation; need a motion in minutes for KCRC to proceed with request for three signs. The Garfield Summer Newsletter made it out in time; color copy attached. Grounds Crew has been busy catching up and keeping up; we're looking for a little battle rhythm with the rain, but as soon as there's a little rain and sun everything just pops backup...or so it seems. They're learning and doing a great job with minimum supervision. New Speed Limit, Camera and Children Playing signs have been posted at entrance to Park, along with new Stop Sign at exit. KMHC just adopted their 2026-27 Budget and Strategic Plan. Al Hart and I completed the Michigan Hospital Association Fellowship Program which was a great learning experience and networking opportunity. I'm convinced that we are blessed and fortunate to be an Independent Hospital. No Park Meeting in June; will update on Grant Closeout tonight.
