TO: SUPERVISOR AND BOARD OF TRUSTEES
FROM: NELSON J. CANNON, CHIEF OF POLICE
SUBJECT: ADMINISTRATIVE REPORT SINCE MAY 2026 MEETING
DATE: JUNE 11, 2026

Well, it's that time of year again. Temperatures are up, and so are people and activity levels. Taffeltown will be open next weekend. We had a very nice Memorial Day Service at the Old Cemetery; we have pictures for posterity. Cemetery and Park looked great; always a concern about last minute rain and mowing. With just a little rain and sunshine and those dandelions were standing at attention; not a distraction, but an annoyance just the same. I've attached a picture of our Summer Work Crew; they've been doing a great job at the Museum, cemetery, parks, Hatley Property and around the Town Hall. Mary Lou had the Museum open for several hours on Memorial Day with about fifteen (15) visitors; we appreciate her efforts. She has a couple of suggested changes to the display layout that we will get done this season.

Spring Cleanup preparations are nearly complete; the site has been widened by one lane with fresh gravel laid this week. We have a traffic plan in place that will ensure we are not having to deal with cross traffic. Community Sign has been out for weeks; I was present at 0600 Saturday Memorial Weekend just to make sure our weekenders didn't get the message; there were no problems with trash being dumped.

The Annual KMHC Strawberry Social is this upcoming weekend (11-2PM Sunday June 14th) I hope to see you there. Flyer attached to this month's report. I'm attaching the Talking Points from the April 28th Board Meeting. I will be attending the MHA Fellowship Session 6/23-24 on Mackinac Island.

Deputy Chief Bogumil successfully completed his leadership and graduated June 9th at the Camp Grayling. I attended the ceremony, which was very nice. He was recognized for his years of service (54) and his Research Project on Small Agencies. I've attached a picture from the ceremony.

Preliminary May 2026 Activity to Date:

892-198-26 Playground Safety Inspection/Annual
892-199-26 Impeding Traffic/M-66
