TO: SUPERVISOR AND BOARD OF TRUSTEES
FROM: NELSON J. CANNON, CHIEF OF POLICE
SUBJECT: ADMINISTRATIVE REPORT SINCE MAY 2024 MEETING
DATE: JUNE 12, 2024

While June was very busy; July is on-track to exceed. Other than traffic safety, Independence Day was relatively quiet for us. Summer traffic levels are extreme; on July 3rd, Sharon Road cars were backed up to Mockerman waiting to make the turn onto M-66. Speeding was the norm; if not, they were creating a traffic hazard. We got the Summer Newsletter out on time; color copy attached. I was late for the Planning & Zoning meeting; I knew about the date change, but I did not catch the time change. I was going to report that there has been no progress at the three sites they sent letters to. Dumping at the Park is the worse ever; all household refuse with no identification. They are carrying the trash to the Visitor Dug Out Trash Can with impunity; all four of our Trash Cans were filled to the brim. Our CCTV System is degraded to the point of being useless; Brett was working on this before resigning. I don't know what needs to be done, but am willing to figure out and get this system back online. I'm attaching the two most recent summaries of the May and June Board Meetings; also a status update of the KMHC Lawsuit.
