TO: SUPERVISOR AND BOARD OF TRUSTEES
FROM: NELSON J. CANNON, CHIEF OF POLICE
SUBJECT: ADMINISTRATIVE REPORT SINCE JUNE 2025 MEETING
DATE: JULY 9, 2025

As suspected, and anticipated, we're very busy. Just a quick look at the traffic over the holiday weekend and you'll understand the cause and effect.

If you haven't heard, Taffeltown is up for sale; we always knew this was a going to happen eventually; just hoped it would have taken a little longer. They have a lot of sweat equity in the restoration; bringing it back from the edge of destruction was no simple task. Definitely in great shape and will command top dollar; if they can find the right buyer, there is an opportunity for our landmark to move up in the world. They are not closing, just setting the table for a transition; T-Town to the next level and Dean & Rene into retirement. More to follow.

Gar4field Township's Summer Newsletter got out on time. RadarSign was finally installed and programmed just in time for the holiday weekend; now whenever needed, we can download traffic data for analysis. We're good to go on the Park Improvements; meeting with Consultant and Contractors on Monday to determine works schedule. Still looking for someone to clear the trees along the pathway.
