

THESE ARE OUR

MAD J REPAIR & TOWING

Other Services

Load Shifts & Transfers

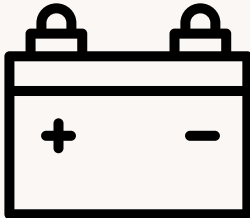

Quick, safe, and efficient load adjustments to keep your cargo secure and your rig road-legal. Our team handles partial and full load transfers on-site or at our shop.

Fuel Delivery

Ran out of fuel mid-route? We offer prompt fuel delivery services to stranded rigs and fleet vehicles anywhere in our service area.

Battery Jumpstarts

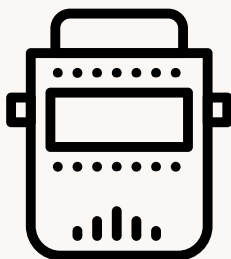

Dead battery? No problem. We'll get you powered up and back on the road fast with our heavy-duty jumpstart services for commercial vehicles and equipment.

Tire Replacement / Repair

Blown tire or slow leak? We offer on-site tire changes, patch repairs, and replacements for semis, trailers, and heavy-duty vehicles.

Welding & Fabrication

Custom welding and metal repair services for truck frames, trailers, and heavy equipment. Built strong to keep you moving.
