May 1, 2024

The union representing Ventura County's Deputy Sheriffs and District Attorney Investigators announced today that its Board of Directors had unanimously voted to endorse Clint Garman in his candidacy for election to Ventura City Council (3rd District seat) in the 2024 election.

"On behalf of our members, we proudly endorse Clint Garman. Through his words and actions throughout his long career in public service, Clint Garman has demonstrated his commitment to maintaining the safety of the community he serves by supporting first responders, and we are confident he will continue to do so. Additionally, Clint Garman has worked tirelessly to become well-versed in the needs and issues of the community; his work as the District Representative for Board of Supervisor Matt Laverre indicates his desire to provide the best service to the citizens of Ventura County. Before moving to Ventura, he was a well-respected member of the City Council and Mayor of Santa Paula. We support his election because we are confident that when he transitions to being a city leader, he will be an experienced public servant who will continue to promote the values that make Ventura County great place to live, ensuring our safe communities."

The Ventura County Deputy Sheriffs' Association (VCDSA) is the recognized bargaining unit for approximately 775 sworn peace officers in Ventura County. VCDSA President Victor Flores extends that the VCDSA Board of Directors is proud to endorse Clint Garman because of his passion for public service, his commitment to fighting for a safe community, and his dedication to the citizens whom he serves.
