Re: VCPFA Endorsement for Ventura City Council District 3

On behalf of the Board of Directors of the Ventura County Professional Firefighters Association and the over 400 Firefighters, Fire Prevention Officers and Public Safety Members we proudly represent, I'm pleased to announce our unanimous endorsement of Clint Garman as candidate for Ventura City Council District 3.

As public safety professionals serving the County of Ventura, we share a common goal of ensuring that the public safety needs of our community are adequately and responsibly met. We trust Clint Garman to uphold this standard not only through his strong support for public safety, but by his devout sense of community and genuine passion for the community he has spent his entire life. He has undoubtedly demonstrated this as a community leader in both Ventura, and the City of Santa Paula not only in Government but, community outreach, and as a local business owner as well.

Clint's only special interest is serving his community supporting public safety, reducing homelessness, and improving our local infrastructure.

We wish Clint Garman success in this endeavor and look forward to our continued partnership in providing important public safety services within our community. Please support Clint Garman with your vote by November 5<sup>th</sup>, 2024.
