POST 2298**

From 2nd Vice Commander

Dear Members, Do you take a Veteran to the Dr. or help them with home repairs? We are asking for members to fill out a simple form to track the hours and funds used in helping our vets. The hours and money (mileage) is converted into \$ that allow the State and National organization how we impact our veterans in our area. There is a folder located by the items for sale that has empty forms. There is an example on the back of the folder. If you can write the hours and # of volunteers (for each), the activity, the date and a good phone number I can fill it out and load it to our Post account. Thank you so very much.

Jerry Roe, 2nd Vice Post 2298

From Quartermaster

Dear Members, sometimes members are wanting to access the display cases for shirts or other items. I've placed a clipboard with a signup sheet if someone wants an item and no one is available to unlock the display case. Put your name and phone number and I will call you back as soon as possible. Thank you so very much.

Gerald (G-Man) McDannels, Quarter Master Post 2298
