As a member of the Post, if you intend to continue (or resume) patronage of the club, you may ensure that the Post Charter remains in good standing. That is, you may ensure that the required officials are nominated and elected so the Charter can be revalidated as required.

As a member you may ensure that the Post Charter remains in good standing by taking some of the following actions:

1. Talk to other members and encourage them to become more involved in the Post by running for a Post Officer position of which they are qualified.
2. Consider seeking one of the positions. (Every member of the Post can perform some of the duties.)
3. When you have accomplished the above actions, announce your intention to seek office or, nominate the member(s) you have talked to and ensure that they are willing to accept the nomination at a Meeting on March 22, 2023, April 26, 2023 or election night May 3, 2023.

In the event the required officer positions are not filled at the election on May 3, 2023, the Post Charter will be invalidated, and all properties and Post assets will be, by law, obtained by or transferred to National AMVETS.
