

Muscle Car Club Challenge
"Driver Reward" Program
2025

The driver reward program continues again for the year 2025. It is a program within the Challenge Series in which you earn points for yourself in the same way you earn points for your club. Your points accumulate throughout the year. At the end of the racing season, the top drivers receive some very nice prizes and awards, including some free race entries for the following year, plaques, merchandise, gift certificates, and more!! All drivers in the program will be recognized in some way. At the end of the year there will be an awards banquet. So get ready for another fun-filled year of Challenge racing!!

HOW TO WIN

Each driver who participates will have a chance to win prizes on the following formula. **The more Challenges in which you race, the better your chances of winning your class. We will keep track of points by class again this year.**

You will earn **one** point for each round you run in the eliminations – **win or lose** until the semi-final round.

In the semi-final round, the loser(s) get **two** points and the winner(s) get **one** point.

In the final round, the winner gets **five** points and the runner-up gets **three** points.

Each racer's points will be posted to the class in which he runs. Example: If a racer runs in the "King" class at one race and then runs in the "Super" class, at another race, that racer's points will be recorded according to the class in which he runs. In this example, the racer would have points in two classes. A racer may not change classes after the first round of eliminations have begun.

*Away races are worth 4 points in the first round.

BONUS POINTS – A RACER CAN EARN 5 BONUS POINTS. SEE BELOW

-If you **race** (take the tree) in all but one of the scheduled races, you will earn five bonus points. If we have more than ten scheduled races, you can miss two and still be able to earn these bonus points.

-The driver who accumulates the most points during the racing season will gain entry into all races in 2026 free.

-The runner-up driver will gain entry to one half of the races in 2026 free.

-In the event of tie, both drivers will receive entry to one half of the races in 2026 free.

WE HAVE A FEW RULES – HERE THEY ARE:

- Each driver in the program must purchase a permanent Driver Number, which number will be used as that driver's number for all Challenge races throughout the season. The fee is **\$35.00** and you can fill out the entry blank below and send it with your check or you can buy it at the first Challenge race of the year. **We will assign the Driver Number.**
- Each driver may enter only one class at each event with this number. The class does not have to be the same at each race.
- The Cash No-Box Race is excluded from the driver reward for the purpose of accumulating points.
- The Driver Reward Program is optional. You do not have to be in the reward program to race in the Muscle Car Club Challenge Series. The main reason we have these events is to **have fun!!!**

Fill out the entry blank below and send it with your \$35.00 to:

TMCCC
Sarah Vidrine
1217 Hillcrest Dr.
Euless, Texas 76039

If you have any questions or comments about the program, please call Sarah Vidrine at 817-821-7511 or any member of the Challenge Committee. www.tmccc.org. You can also use **PayPal**. Send \$35, the transfer fee (unless you send as a gift) and this info to paypal.me/TMCCCSV.

Please keep this top part so you will know the rules.
