Be Curious

Be Caring

Be Confident

Be Cooperative

HEADS' CORNER

Hi everyone,

Happy new Year!

We've had a fab start to the new term. The children have returned to school with loads of positive energy and are doing some fantastic learning.

I Can, You Can, We Can: Our theme this month is I-Can-uary with a focus on our Be Caring value as it relates to caring about others but with the key focus on caring about ourselves. Using the skills of being caring, confident, cooperative and curious, the children will build on the learning from the Autumn term. We will be thinking about how we face every learning challenge head on and achieve success, and how looking after ourselves enables us to achieve.

The children will be earning pink heart stickers by being caring to themselves and others, doing their best in both work and play, and by demonstrating an I-Can attitude!

We hope you have all seen our new website. We have had lots of positive feedback about it. Please bear with us while we finish updating some things. There is lots of new and exciting content on the way as well. You can find the new website at www.underhillschool.co.uk.

As you will have seen, we had some building work carried on the front entrance to school to make it a safer environment for the children. All gates will be closed just before 9 so if you arrive after then, you will need to go the Main Office gate.

We are not far from our target total of 10,000 FREDs. Please keep reading at home everyday for 10 minutes so we can have another fabulous whole school reading celebration!

Have a great weekend!

Jennie Reed and Nicola Hayles

NOTICES AND NEWS

CLUB NEWS

We are delighted to be able to continue with our staff led clubs, all clubs and children will remain the same until the Easter break. There have been two clubs that we have had to cancel due to staff members other commitments and those parents/carers have been informed.

We understand that some children may be disappointed they missed the deadline for clubs last term; if this is the case please email the office with your club request and a Mrs Sidney will add your child's name to the club waiting list. Unfortunately we are unable to run any staff clubs for Reception at this moment in time but will inform Reception parents/carers should there be a change.

As always please contact all external clubs should you wish to sign up with one of these, previous emails have been sent but please contact the office should you not be able to locate them.

RELIEF MTS

We are looking to recruit Relief Mealtime Supervisors on an as-and-when basis. You would need to be available to work at short notice as this role is to cover sickness and absence. This is an excellent opportunity to take your first steps back into the workplace. You must be flexible, caring, responsible and conscientious. Responsibilities include supervision in the dining hall and playground. If you want to make a difference and contribute to the personal and social education of all our children, then we would like to hear from you.

- *The school is committed to safeguarding children and young people. All appointments are subject to a satisfactory enhanced Disclosure and Barring Service check.*
- Closing date : Monday 24 January 2022 at 12 noon
- Interview: By arrangement, candidates may be interviewed before the closing date if their application is successful

An application pack can be downloaded from our website www.underhillschool.org
