HEADS' CORNER

Dear Parents and Carers,

We hope you have all had a great week.

Lots of fantastic learning has been happening this week. We have been really impressed by the excellent listening and learning behaviour of the children in their lessons when we have been walking around the school. There is real sense of purpose as you move from class to class.

You will have received your letter about our clubs offer last week. Clubs are starting from 3rd October. If you haven't yet applied, please do return the google form so we can ensure that your child gets a place. We have such a great range of clubs on offer; we don't want anyone to miss out.

Last week, the children voted for their new house captains. On Tuesday we held assemblies where the y6 children, who had put themselves forward, gave a speech to the school about why they would make a great house captain. We were so proud and impressed by them all. They all gave great speeches and showed really confidence. Delivering a speech that you have written to the school is quite a nervewracking experience and they were all fantastic. The new House and Vice House captains are being announced in assembly today!

Have a great weekend and Shana Tovah to all our families who are celebrating Rosh Hashanah from this Sunday!

Jennie Reed and Nicola Hayles

Underhill School PTA

We Need You

What is the PTA?
Underhill Parent Teacher Association supports the school in making it a better place for children to learn. We raise funds to spend on things that the school budget may not cover.

Why should I join the PTA?

- It's fun!
- Get to know more people and make friends
- Help raise much needed funds
- Have a voice on how school funds are used
- Make a difference to the children and school

How much time do I need?
Whatever you can! There are so many ways of getting involved so you can make it fit with you.

Who can join the PTA?
Everybody! The more people we have, the more we can do for Underhill.

What skills do I need?
If you are passionate and enthusiastic about helping the school, that's all you need. Everyone has something to offer. We all bring different skills and it needs all of us to make it work.

Become a class rep!
If you are sociable and good at communicating this is for you. We are looking for a rep for each class to help share school messages.
