Friday 4th April 2025

Heads corner

Dear Parents and Carers,

And so we come to the end of another term. This year really is flying by.

It has been a wonderful last couple of weeks and the children have all been having lots of fun.

We are so pleased that so many of you have been able to come and see your children performing in the Music Week concerts. They have all been working really hard on their performances and they were so proud and excited to perform for you. Thank you so much as well for all your kind donations. We will be able to buy more musical instruments for the school to further improve your child's music education.

We would like to say a huge thank you to our amazing PTA who have put together so many fantastic events this term. So much time and effort goes into organising these and we are so grateful. Yesterday's Easter tombola was a great success and we were very honoured that the Easter Bunny was able to take time out of his busy schedule to come and visit us again!

Our House Captains have launched a design competition to design a logo for each of our houses now that we have new names. We think this is a great idea and hope that everyone has a go designing an exciting new logo for their house. The children can give their entries to us or their class teacher, or you can email the entries to the school office if they are done on the computer. The competition closes on Friday 25th April. Good luck!

We would like to wish Eid Mubarak to all our families who celebrated last weekend and a very Happy Easter to those who will be celebrating in the holidays. We hope that everyone has a wonderful time with friends and families over the Easter break and have a well deserved rest.

Thank you for your continued support and we look forward to seeing you all on Wednesday 23rd April at 8.40am!

Nicola Hayles and Jennie Reed
Co-Headteachers
Underhill School and Children's Centre

Attendance

Absence

Please remember any absences need to be reported daily to
attendance@underhill.barnetmail.net

Or via the school website

<https://underhillschool.co.uk/attendance-1>

Absences before and after a school holiday may be liable to a fixed penalty notice from Barnet Education welfare team unless medical evidence is provided

Attendance

95-100% Target for all pupils

90-95% Monitored by school, meeting arranged with teacher

85-90% Invited in for meeting with Heads and attendance

Referral Education Welfare Officer may come at any stage and will depend on individual circumstances/case

If you would like a meeting to discuss your child's attendance please call the school office

What's been happening at Underhill this fortnight?

4.4.25 Tummy time Reading in Nursery

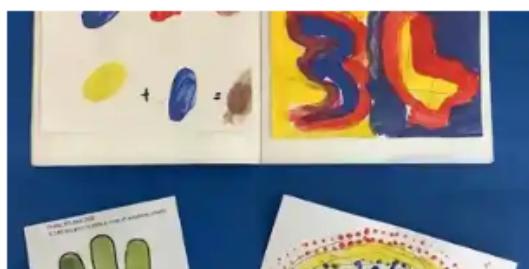

The children in Nursery love reading stories and looking at picture books. We read as a class every day and have a new story every week. Once a week we put on relaxing music and lay on our tummies for 'tummy time' reading. This enables the children to develop their core strength which will help the children when they start to write.

19.3.25 Fruit kebabs in Reception

In the Reception classes this week, the children have made their own fruit kebabs as we have been enjoying the story 'Handa's Surprise' as well as learning about healthy foods. The children loved designing and carefully making their kebabs. Some children even made some repeating patterns! The best bit of all was eating them altogether!

4.4.25 Music Week in Year 1

It was music week this week and Year 1 did absolutely brilliantly. 'Dance Monkey' is now a top hit in our classroom and it instantly brings a smile to both the children's faces, and the staff. We were very proud how well the children performed to all the parents and carers on Wednesday!

We have been busy completing a sequence of science and art lessons which the children have loved. In Science we have been learning about animal groups, looking at their features and their diet. In art, we have been mixing primary colours and using several techniques to create abstract art!

28.3.25 Year 2 Out and About

We've had a fabulous week in Year 2, starting off with our local Geography trip to the Old Courthouse Park to record data on what plants and animals we saw. The children then enjoyed playing on the equipment. Thank you to the parents who came to support!

In Science, we were looking at patterns of growth and had some special guests from Nursery, Reception and Year 1 to help us.

In DT, the children got to make their own healthy wraps as well as use a grater to grate some cucumber. Most of the children thought their wraps were delicious. We may have some future chefs in the making!

4.4.25 Designing castles in Year 3

This week during English, Year 3 wrote a letter to Jemmy Buttons family, talking about his experience in the city and all the things he saw and did! In Maths, Year 3 have been working hard in maths and finding equivalent fractions as well as adding and subtracting fractions with the same denominator. This can be challenging and the children did really well!

Look at the brilliant castles that Year 3 have been building! They used recycled cardboard boxes and made sure to include all the features of a castle.

21.3.25 Year 5 meet Helen Sharman

On Monday, our Year 5 children had the opportunity to attend a Zoom session with Helen Sharman, the first British woman in space. During the session, the children were able to ask Helen questions about what life is like as an astronaut, as well as the exciting future of space travel. The students loved her stories and insights, learning about the challenges and wonders of space exploration. It was an inspiring experience that sparked their imaginations, and they walked away with a deeper understanding of space and the remarkable journey of being an astronaut.

4.4.25 The British Museum with Year 4

This week, Year 4 has been finishing our twisted fairy tales. We needed to write a letter to persuade the witch to return the happy endings and save bedtimes across the world! We have produced some amazing letters that use persuasive language so well, Year 4 are sure to defeat the witch with kindness. Stay tuned for our published pieces. Year 4 also spent the day at the British Museum, where we saw the Sutton Hoo helmet and shield. During our history lessons, we studied pictures of them, so it was so exciting to see them in real life! We also saw many historical artefacts and even got to hold a Stone Age axe!

7.3.25 Y6 Visit to the Wallace Collection

This week, Year 6 visited the Wallace Collection. This is a publicly-owned collection of art, ceramics, furniture, clocks and one of the biggest private armoury collections in the country! Joshua described the house as 'grandiose' and it indeed was.

We were welcomed by Marie-Therese who got us thinking about what kind of collection it was and then led us in some art sessions called "Landscapes and Seascapes". She made us take a walk into the picture and then explore different parts of the painting. We looked at how the artist used triangle shapes to draw us in and lead us into the picture.

We used pencils and then chalks to sketch a landscape and then a seascape. Marie-Therese said her nickname is 'Quick Draw' as she gets people to sketch quickly. This speed made us leave our inhibitions and doubts behind us so we could focus on creating the art.

After lunch in one of the school rooms, we had some time to look around the armoury where we looked at some amazing armour and weaponry. We saw an elaborate suit of armour made in Greenwich and a rare set of horse armour. We also looked at non-European armour and weaponry, including seeing the official regalia of the Asante people (in what is now Ghana).

We had a lovely day, but it was impossible to see everything in the collection in just one visit. We highly recommend you visit (it's an easy walk from Bond Street tube) to see The Laughing Cavalier, Canaletto and many, many more amazing works of art.

YEAR 2 GIRLS FOOTBALL

The Underhill Year 2 girls football team recently showcased their incredible talent and teamwork during a series of matches against other schools. The girls won most of their games, proving they're a force to be reckoned with. Melissa scored in every match, helping lead her team to victory. The girls absolutely loved the experience, and it's clear that we have a fantastic group of players coming through. Big things are ahead for this rising team! Huge well done to Meltem, Melissa, Vihaa, Humeysra, Zenab, Muntaha, Zeanat and Nafas

YEAR 5&6 NETBALL

The Year 5 and 6 netball team had an outstanding performance in their recent tournament this week, dominating the competition and winning all their matches! The team's shooting was absolutely on point, with every player contributing to the victory. Their skill, teamwork, and focus were evident throughout the tournament, making them the standout team of the day. It's clear that these players are a force to be reckoned with, and we can't wait to see what they achieve next!

SCHOOL CLUBS

Our internal club offers went live on Arbor last week. Thank you to all parents who have signed up their children using the new booking system.

You can view which clubs you have registered for in the clubs section of your Arbor account.

Parents can view information for all of our external clubs on our school website here -

<https://underhillschool.co.uk/school-clubs>

DANCE FESTIVAL 2025

Huge congratulations to our wonderful Dance Festival troupe! They dazzled the audience with a high energy, jaw dropping performance of Footloose at The Arts Depot Theatre on Monday 17th April. The children were highly dedicated and enthusiastic during the rehearsal process and their hard work paid off in abundance! We couldn't be prouder of them, they were spectacular!

NETBALL BOROUGH PLAY OFFS

In an exhilarating display of teamwork and talent, our 8-member team played at Copthall School to take on the other league champions in an intense borough showdown. With heart-stopping moments, they fought fiercely, only to narrowly miss out on the borough league title by a single point. Despite coming in second out of all the Barnet schools, their dedication, sportsmanship, and sheer determination shone through, leaving an unforgettable mark on the competition. An enormous congratulations to; Griff, Jude, Ethan, Halle, Belinay, Scarlett L, Victoria and Nicole Underhill's netball is thriving.

TRY A CLASS FOR FREE

Now showing, CONFIDENCE!

Drama, dance & singing classes designed to help 4-12 year olds shine

“My son has adored his first term at Perform. He has blossomed and I've seen his confidence grow every week.”
 Pippa Wotton

Play is a POWERFUL THING

Perform classes help boost children's **confidence**, **concentration**, **coordination** and **communication** skills, as well as being lots of fun.

Our expertly designed drama, dance and singing sessions for 4-7s and 7-12s are run by experienced teachers, hand-picked for their warmth and approachability. They'll be with your child every step of the way – inspiring and encouraging them to develop vital life skills as they discover the joy of performing.

What does Perform offer?

- Performing arts-based games and exercises
- Focus on a different social skill each week
- Small classes and feedback on your child's progress
- Specially created scripts, videos and apps
- End of term presentation for family and friends

“Perform helps develop all key areas of a child in a fun, supportive and engaging way. It gives my daughter a brilliant sense of fun, community, purpose and pride in her achievements.”
 Begum Bari

Ready to try for free?

Your child's first class is free, so why not give it a go? Classes take place all over, have a look online or call us:
