The Underhill Way

At Underhill, we have 4 BE words;

Be Caring
Be Confident
Be Curious
Be Cooperative

These enable all children to become happy, successful 21st Century learners both while they are in school and in their future.

We also instill a positive and determined attitude through our school chant:

I can, you can, we can.

If you are ever visiting the school, it is likely that you will hear this chant coming from the classrooms to energise the children for their learning.

Assessments and SeeSaw

In Reception we will be making observations of your child during their play and learning. Each child will have two Spotlight Months during the year (these months occur in relation to where their birthday falls) During these months we will be observing them closely and will share these observations with you on SeeSaw.

We will use these observations to assess your child's development and progress.

We will share this information with you during the parent consultations that will happen during the year in a rolling programme.

Messy/Sensory Play

In Early Years there are lots of activities that we provide for children to explore that can be messy that help them develop important skills. Children are of course supervised by adults but they can get very messy when they are playing in the mud kitchen or with sensory materials!

Day
👍 👍👍 👍👍

Children need to read at home every night.

This can be any book that children enjoy reading (they will get one from the school library every week).

Parents need to initial the FRED bookmark after their child has read for 10-15 minutes.

Bring this to school every week and show to class teacher.

If home reading is not happening, a class teacher or Reading Lead will be in contact.
When children collect 'reads', they will get a reward.

Home Learning in Reception

Each week on a Thursday on SeeSaw we will send home learning activities to support the children's learning in;
