Monday 18th March 2024

Dear Parent/Carer,

The end of the Spring Term is fast approaching and we would like to re-open the following clubs for Summer Term 2024. Please see the table below for all the details.

Requesting school led club places

If your child would like to attend one or more clubs (maximum of three clubs per child), please complete the google form linked below with your club preferences so we can allocate places. We will endeavour to ensure that all children are given spaces in the clubs they choose however in the event that we are unable to accommodate all the children, alternative club places will be offered.

The children will be led directly from their classroom to their club location area by an adult from their phase.

Externally run clubs

On top of our free staff-led clubs, we are also pleased to offer a range of external paid clubs; you can apply for as many as you wish. Please note that these clubs will only run if the demand is high enough. To apply, refer to the club flyer emailed out as well as our website. Some are managed by the club themselves and some by the school.

Collection at the end of club sessions

At the end of the club session, the children can be collected in the front playground by the office or in the big playground. You will need to enter through the main school entrance to access the playgrounds as our large gates close at 3:30pm. **If your child is not collected on time, the club leader will automatically take your child to the After School Club and you will be charged.**

Club payments

In order to ensure that school led clubs can be resourced effectively, we are asking for a small £5.00 contribution per term (Autumn, Spring and Summer) per club (including lunchtimes). This is a voluntary donation. All payments will be applied to your school money account once you have signed up on the google docs form.

Replies

Replies for staff led and funded Underhill clubs should be responded to on google form and submitted by Thursday 21st March and you will be contacted via text and notified of the club/s your child/ren have been allocated by Tuesday 16th April 2024. Staff led clubs will start from Monday 22nd April 2024. External clubs may have different start dates so please contact them separately regarding those clubs and all details can be found on our website.
