1. The role of the committee

The finance committee is responsible for financial oversight and scrutiny, with a focus on financial planning and risks, reporting and monitoring.

2. Membership and quorum

The finance committee will be appointed by the full governing body.

The minimum number of members on the finance committee will be three. This will be to ensure that there is an adequate number of members to hold a majority when voting on matters discussed by the committee.

Membership of the finance committee will be decided based on the governing body's skills audit.

The SBM will be co-opted to the finance committee to advise on financial considerations.

The quorum of the committee will be one half of the number of members within the committee, rounded up to the nearest full number.

Only appointed members of the committee will have the right to vote on any matters. The committee may appoint non-voting members who are able to provide advice to the committee – any non-voting members will be approved by the governing body.

3. Term of office

The committee will be appointed annually by the governing board.

Members of the finance committee will hold office from either the date of their appointment until their resignation, or their omission from membership of the committee on subsequent consideration by the governing body – whichever occurs first.

4. Meetings

The finance committee will meet as often as is necessary to fulfil its responsibilities, and at least once per term.

The chair of the committee, or any three committee members, will only call unscheduled meetings where necessary, and only as long as appropriate notice of at least seven days is given to other members. A shorter notice will only be given where the chair of the committee decides a particular finance issue requires addressing immediately.

The frequency and dates for committee meetings will be decided early in the first Autumn term of the academic year.

The clerk to the committee or Chair will circulate an agenda, copies of minutes of the previous committee meeting, and any papers to be considered no fewer than five working days prior to the meeting.

The clerk\Chair will take minutes during committee meetings. The minutes will be approved by the chair of the committee before being uploaded onto the Governorhub portal

Confidential minutes will only be shared with committee members who were present at the meeting where the confidential item was discussed.

The committee may invite non-members to meetings to assist or advise on a particular matter. These attendees will not be entitled to vote on any matters.

Every matter to be decided upon will be determined by a majority vote – where there is an equal division of votes, the chair will have the deciding vote. Each member of the committee that is present at the meeting will be entitled to one vote.

A register of attendance will be kept for each meeting, and this will be published on the school's website on an annual basis.

5. Authority

The committee is authorised by the governing board to:

- Investigate any activity within its terms of reference.
- Seek any additional information it required from any employee, with all employees directed to cooperate with any request made by the committee.
- Obtain any external legal or independent professional advice where necessary.

6. Calendar of business
