HEADS' CORNER

We had such a brilliant day on Friday in support of Children in Need and we can't wait to find out how much we have raised altogether.

Did you spot any familiar faces on BBC1 on Friday night? Our brilliant House Captains and Vice House Captains were featured on the BBC Children in Need programme and we couldn't have been more thrilled to spot them shouting "I can, you can, we can!"

Well done to everyone for supporting Odd Socks Day today to raise money for the Anti-Bullying Alliance. We were so excited when Andy (of Andy and the Odd Socks fame) sent us a video today and guess what? He was also saying "I can, you can we can!" We will continue to focus on Anti-Bullying throughout the week, learning about what bullying is and what we can do if ourselves or our friends are being bullied.

Thank you so much to all parents and carers for spending time to help their children participate in our school events. We really do appreciate the effort that you all make; it is really important that we unite as a community for occasions like these and we couldn't do that without your amazing support.

Have a great week everyone!

CHILDREN IN NEED

Thank you to all of our families for all the effort and fundraising that you did in Support of Children in Need. We will let you know how much money we have raised in next week's newsletter. The children all seemed to have lots of fun on Friday and it was great to see all their outfits. We hope you all managed to see Underhill on TV on Friday night too. If so, we sure you will agree that all of the children in the clip were fantastic.

BREAKFAST CLUB

We have had lots of fun in breakfast club again this week. Our table tennis and table football are always popular but Joe Wickes won the vote on Friday. It has also been fantastic to watch our budding mathematicians battling away to try and get their classes ahead in 'Times Table Rock Stars'.

Breakfast club is open to all children from Reception to Year 6. We provide a wide choice of breakfast at a cost of £3.75. We open at 7.30am each weekday morning. Parents can book a slot on their school money accounts. If you would like further information or help with booking, please call the office on 020 8449 2423.

PE

Our KS2 students have started the new half term with a PE focus on the 5 core fitness components; cardiovascular, flexibility, body composition, muscular strength and endurance. They have been completing two daily challenges and recording them on their own personal chart aiming to develop and build on their overall fitness and wellbeing. Our KS2 teachers have also got on board and the children are having fun trying to beat the teacher's scores! Who will triumph by the end of the term teachers or children.....?
