HEADS' CORNER

Hi everyone,

We hope you had a lovely weekend whilst dodging all the rain! We have reached another milestone on the roadmap out of lockdown however our school risk assessment has not changed so please continue to follow all systems and procedures.

Thank you for all the wonderful donations of seeds, plants and pots to brighten up the school; we are sure you will agree that it is really making a difference.

We are really proud of all the children for 'Make it happen May'. We have had some very brave children coming to see us to talk about their difficult feelings and how they can manage them.

We have been looking through the children's books over the past week and we have seen really excellent progress, particularly with spelling. Well done to all the children and for everyone at home for supporting their children with this.

Chag Samaeach to all our Jewish families who are celebrating Shavout today.

Jennie Reed and Nicola Hayles

NOTICES AND NEWS

WALK WITH US!

Underhill is taking part in the nationwide event, Walk to School Week (24th-28th May)! We would like to challenge all our Underhill children to travel actively and sustainably (walk, wheel, scoot, cycle or Park and Stride) to school every day for one week.

The theme of this year is 'Walking Superpowers' and throughout the week, children will be introduced to five different Walking Superpowers who will teach them all about these benefits and reinforce the power of walking, superhero style!

By helping us make as many active journeys to school as possible across the week, children will earn special stickers and a badge at the end! Walking, wheeling, scooting and cycling all count! If you live far away from school and need to drive or take public transport, try parking the car or hopping off the bus/train ten minutes away and walking the rest of the journey.

FRED READING RESULTS

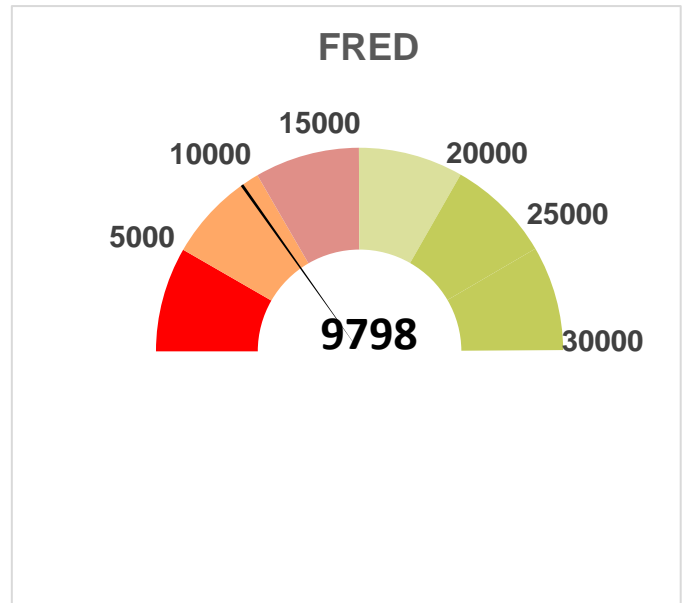

The FRED reads half way through this month are 9798

More and more children have been reading in Make it Happen May and we are now up to 9798 reads!

Thank you everyone for your hard work and keep reading!

If you have any questions about FRED , please speak to your class teacher or come and see me in the playground at the end of the day.

Anniina Limbrick
Literacy Lead

THANK YOU

Thank you to Mr Stock for the lovely planters he has made for the front of the school. Please can we ask for donations of soil, planters and shrubs.

GROW

GROW project update.

This week we had our first taste of bad weather and had to plant in the rain. We checked on all the plants we had already put in the beds and these seem to be doing well.

This week we put in some Red Russian Kale plants - starting our brassica bed - and we sowed seeds. The children learnt how to make a drill by using a finger or the side of a trowel to make a line at the right depth for the seed. Into these drills they planted courgettes, broad beans, radishes and carrots.

We added labels to our existing plants and made new labels for the new sowings so that everyone will be able to identify the plants.
