5th December 2025

Dear Parents and Carers,

The end of the Autumn Term is fast approaching and we would like to re-open the following clubs for Spring Term 2026. Please see the table below for all the details.

Booking school led club places

School led clubs are booked via your Arbor account in the clubs section. When booking your club via Arbor you will be given the option to make payment or continue without payment.

Please note if you do not complete the booking fully by choosing to make payment or continue without your child will not be booked and could risk losing the place to someone else who is booking at the same time

Internal clubs (staff and donation clubs) will go live on Arbor on **Monday 8th December at 7pm**. Spaces are limited and are allocated on a first come first served basis. All successful bookings will show in the clubs section under the heading (*child's name*) **is registered** for these clubs. Clubs available to book that you are not yet booked into will show under the heading (*child's name*) **can be registered** for these clubs.

If you try to book a club but there is no payment option this means the club is now full and there are no places available.

Internal clubs will begin week commencing 12th January, with final sessions taking place week commencing 9th March 2026.

Club payments

In order to ensure that school-led clubs can be resourced effectively, we are asking for a small £10 contribution per term (Autumn, Spring and Summer) per club. If you are unable to pay the charge, please do get in touch with the office or Mrs Sidney so that we can ensure no child misses out.

Collection at the end of club sessions

At the end of the day children will be led directly from their classroom to their club location area by an adult from their phase. At the end of the club session, the children can be collected in the front playground by the office or in the big playground. You will need to enter through the main school entrance to access the playgrounds as our large gates close at 3:30pm. If your child is not collected on time, the club leader will take your child to the After School Club and you will be charged.

Externally run clubs

On top of our school led clubs, we are also pleased to offer a range of external clubs. You can apply for as many external club places as you wish. Please note that these clubs will only run if the demand is high enough. You can find all external club information on our school website here -

<https://underhillschool.co.uk/school-clubs>

Please feel free to contact myself or the school office should you have any queries.

Kind Regards,

Mrs Emily Sidney

PE Teacher and Enrichment Lead

*£-Paid for external club, please view the school's website for details and contact them directly for prices
