

Understand * Uplift * Unite

18th June 2026

Dear Parents and Carers,

Due to the hot weather forecast for the next week or so, we have made the decision that children may wear their **PE kits to school from tomorrow and for the duration of next week if they wish.**

This will help ensure that pupils remain comfortable during the warmer conditions.

Please also ensure that your child:

- Brings a **water bottle** to school each day
- Wears a **sun hat** where possible
- Applies **suncream before coming to school**

We will, of course, continue to monitor the weather closely and will make appropriate adjustments to the school day if temperatures become too high, including adapting activities, increasing time indoors, and ensuring access to shade and water.

Best wishes,

Jennie Reed and Nicola Hayles

Co-headteachers
