The Underhill Way

At Underhill, we have 4 BE words;

Be Caring
Be Confident
Be Curious
Be Cooperative

These enable all children to become happy, successful 21st Century learners both while they are in school and in their future.

We also instill a positive and determined attitude through our school chant:

I can, you can, we can.

If you are ever visiting the school, it is likely that you will hear this chant coming from the classrooms to energise the children for their learning.

PSHE

As a part of your child's education at Underhill, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme.

PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. PSHE lessons cover a range of topics such as keeping safe, health, friendships, growing and changing and RSE (Relationships and Sex Education).

PSHE

In Year 1 this year we will be teaching lessons related to the following topics:

Making and breaking friendships

All about my feelings

Exploring our families

Coping with conflict

Global food

Healthy people

Money, shopping and saving

Special days

Keeping safe

About my body

School Trips

All classes will have at least three school trips per year. Please look out for any emails and messages on SeeSaw regarding these as we will need parental permission for your children to attend.

We try to ensure that all trips are free.

Year 1 had a trip to the church, and two trips to the Bull Theatre last year.

We also have visitors and workshops throughout the year.

Assessment

Assessments

Children are assessed throughout the year in all areas of the curriculum.

Last two weeks of each half term are assessment weeks.

Children will be assessed in:

- Phonics

We always analyse assessment results and will use the data to inform our practice.

Assessment of reading

- Children read levelled books linked to our phonics scheme.
- They should read the same book at least 3-4 times to build fluency.
- Our school books focus in the sounds pupils have learned in school.
- Teachers will continually assess pupils and home reading books will reflect this.

A Guide to Reading Planet

Small children's reading books are linked to our phonics scheme. Teachers should read the same book at least 3-4 times to build fluency. Our school books focus in the sounds pupils have learned in school. Teachers will continually assess pupils and home reading books will reflect this.

Phonics Screening Assessments

The phonics screening check is taken individually by all children in Year 1 in England, and is usually taken in June.

It is designed to give teachers and parents information on how each child is progressing in phonics. The check will assess the child's ability to decode by asking them to read several words, some real and some nonsense (alien words).

It will help to identify whether your child needs additional support. We will have another meeting closer to June, where you will find out more information.

Behaviour

Underhill Behaviour

I can, You can, We can...	This means that we...
BE Caring	Look after ourselves and others, are kind, are honest, look after our school and our things, respect each other, stand up for what's right, show good manners, are tolerant and show compassion, support each other, understand different feelings
BE Confident	Solve problems, use our voice, ask questions, have a go, are organised, are honest when things go wrong, take responsibility for making a mistake, feel proud, are brave, try to do our best every day, are active learners
BE Curious	Know our learning style and how to do our best, challenge ourselves to see how far we can go, are resilient, understanding the learning pit, know how to help ourselves achieve, listen, ask questions
BE Co-operative	Work together, are a team, follow instructions, share, support others, are responsible citizens, understand our community and our world.

Underhill Sanctions

While all children work to the Underhill Way, there are times where children will not meet our behaviour expectations and it is important that the children are supported to have a clear understanding of the consequences if they do not work within the Underhill Way.

We understand that behaviour is communication and we ensure that we try to understand why a child's behaviour is not meeting the expectations and that the appropriate support is put in place.

We run a warning behaviour system where if children have not met the behaviour expectations, they will lose minutes of their playtimes. All orange and red card behaviours are recorded on School Pod and parents will be informed.

Underhill Sanctions

	Green – Good to Go! We are following the Underhill Way
	Blue Warning - Stop and Think - explain which value is not being followed
	Yellow Warning - warn and explain that playtime minutes will be lost if negative behaviour continues
	Orange Warning - up to 10 minutes may be lost of playtime either at break or lunch. If this happens in the afternoon, minutes will be lost from the next day. Parents are informed at the end of the day by the class teacher. In EYFS, children will spend time out on the thinking chair and sanctions are more immediate. Timings are age appropriate.
	Red Warning – Zero tolerance behaviour means instant sanction

Parents as Partners

Parents as Partners

Parent partnership and communication is very important so that we are all working on the same page.

Parents evening will take place both this term and in the Spring term, please look out for more information about how to book nearer the time.

Parents evening this half term will be on Wednesday 22nd and Thursday 23rd October 2025.

Each class will have a class assembly this year (watch out for the dates on the webpage)

Please make sure you read the newsletter, there is lots of important info.

Please make sure you come and talk to us if you have any problems or concerns.

Rollercoasters

9 The rollercoaster has been a fashionable ride for many
17 years, with one of the first recorded rollercoasters
26 opening in Paris in 1817. Historically, it is believed
35 that the rollercoaster was inspired by sledging on the
43 icy Russian mountains. The popularity of the rollercoaster
53 did not spread initially. It wasn't until 1884 that the
60 first notable and highly admired rollercoaster was
72 opened in New York. It was made in the style of a
81 runaway train. The rollercoaster ran on wooden tracks and
85 was an instant success.

94 Today, a rollercoaster track can either be a complete
102 circuit or a shuttle track, allowing the cars —
110 individual or multiple — to run in both directions.
114 Modern rollercoasters are, of
118 course, much faster than
122 the original models and
125 safety standards have
127 notably increased
129 since then.

Questions

1. When did the first well-known rollercoaster open and where was it?

2. Find and copy **two** words that tell you that rollercoasters are well-liked.

3. How do rollercoasters of the past compare with the modern day?

4. Summarise the information about the original rollercoasters in 20 words or less.

Octopus Expert

4 Paul the Octopus has
8 been predicting the result
13 of the World Cup football
18 games over the past few
22 weeks. He's an amazing
23 animal!

27 The sea creature's owners
31 have been putting some
35 clear, plastic boxes into
39 Paul's tank before each
43 match. Each box is
47 decorated with the flag
51 of a football team.

55 Paul has been choosing
60 one of the boxes by
64 crawling towards it and
68 he has correctly guessed
73 the winner of six football
79 games so far in the World
81 Cup competition.

87 Is Paul a football expert or
92 just a very lucky octopus?
96 What do you think?

Questions

1. What does Paul predict the results of?

2. Which **two** adjectives has the author used to describe the boxes in Paul's tank?

3. Why do some people think Paul is a football expert?

4. Do you think Paul is just a lucky octopus?

FRED - Reading at home

FRED
Families Reading Every
Day
1 2 3 4

Children need to read at home every night. This can be any book that children enjoy reading (they will get one from the school library every week).

KS 1 - Please can parents sign the child's reading record.

Bring this to school every Wednesday and show to class teacher.

If home reading is not happening, a class teacher or Reading Lead will be in contact.
