## Heads corner

Dear Parents and Carers!

It's been a great couple of weeks back at school and the children are all very well settled and enjoying their new classes and teachers. They have been working hard and showing real enthusiasm for their learning as always!

This year, our whole school Big Idea is Roots and Wings. It continues on from last year's Team Underhill; Team World theme. At Underhill, we want every child to feel deeply connected and grounded—knowing who they are, where they belong, and the values that guide them. These are their roots: the sense of security, heritage, and community that helps them grow strong. At the same time, we want to give our children wings: the confidence, curiosity, and creativity to explore new ideas, embrace challenges, and take responsibility for themselves and the wider world. Throughout the year, we will be developing these ideas through seasonal themes or quests in assemblies, classroom learning, and special projects.

As part of Roots and Wings, we are developing and upgrading our indoor and outdoor learning environments. This is a big project and is part of a 3 year plan we have to be able to fully utilise all the amazing learning spaces that we have here at Underhill. To start, we have our new library being installed next week, we are also taking part in the National Nature Education Parks project and are developing Mini-Grow at Underhill. You can find out more about our plans on the website here: <https://underhillschool.co.uk/our-big-idea-for-25%2F26>. We will be asking for help and volunteers so watch this space!

We've had some trips and visits already this year. Year 6 were at the RAF museum on Tuesday as part of their WWII learning. They had a great time and were very excited by everything that they saw there. A group of our Year 4 children went to visit the GROW farm at TTA on Thursday and had a marvellous time. They saw the chickens, went on a treasure hunt to find different vegetables and tried some freshly picked carrots and 'sweet, sweet' apples! We also had the Breck Foundation in to visit to teach the children more about online safety. It was a very positive day and we hope you have been able to watch the parent meeting video if you weren't able to attend the meeting. More about the Breck Foundation and online safety can be found here:

<https://underhillschool.co.uk/online-safety>

Last week, the children voted for their House Captains and Vice House captains. In assembly on Friday, the year 6 candidates delivered speeches to their houses in an effort to be elected. All of the children did brilliantly and we were all extremely proud of them. In Monday's assembly we announced the winners: Teddy and Riyanah for House Earth; Violet and Kayci-J for House Air; Theodore and Charlotte for House Fire and Anik and Mila for House Water. Congratulations to them all!

Thank you to all the parents who came to our PTA AGM on Tuesday. Our wonderful PTA have more big plans for this year and the more people that can help out the better the events will be!

Thank you to everyone who came to the Meet the Teacher meetings this week. It was great to see so many of you there. If you weren't able to make it, the presentations are on the website here:

<https://underhillschool.co.uk/information-%26-support>

Have a great weekend,

Jennie Reed and Nicola Hayles

# Attendance

## Absence

Please remember any absences need to be reported daily to  
[attendance@underhillbarnetmail.net](mailto:attendance@underhillbarnetmail.net)

Or via the school website

<https://underhillschool.co.uk/attendance-1>

Absences before and after a school holiday may be liable to a fixed penalty notice from Barnet Education welfare team unless medical evidence is provided

Please complete an Absence request form

<https://forms.gle/JK1N3J7hzy2FR1fJ6> for any planned absences of more than 1 day

## Attendance

95-100% Target for all pupils

90-95% Monitored by school, meeting arranged with teacher

85-90% Invited in for meeting with Heads and attendance

Referral Education Welfare Officer may come at any stage and will depend on individual circumstances/case

If you would like a meeting to discuss your child's attendance please call the school office

## House Attendance

6 Hawthorn	99.38%	96.48%
Total	96.06%	94.9%

## What's been happening at Underhill this fortnight ?

### 19.9.25 Welcome to Reception!

In Reception the children have been settling in really well and each child has drawn their face and had a go at writing their name. Their wonderful work has been displayed on our Star Writing wall so that we can celebrate their fantastic efforts! .

### 19.9.25 Hola from Year 1!

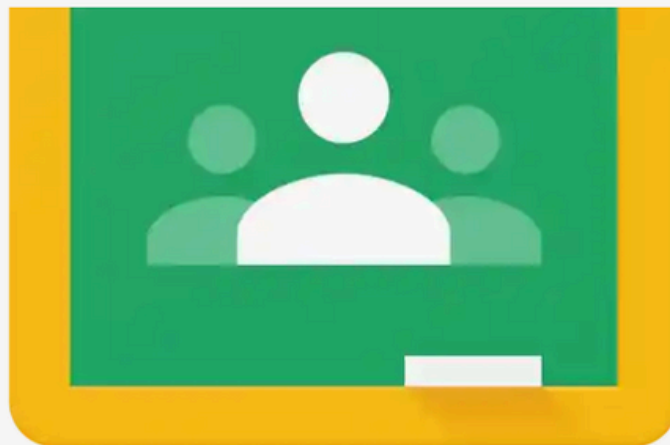

Year 1 have settled in really well to their new classes. This week, children took on the role of their favourite toy and wrote sentences in character - just like Old Bear. We are so impressed with their independent writing! We also had an exciting start to our Spanish lessons. The children have loved learning simple greetings and introductions and have enthusiastically been practising with staff and friends. Gran trabajo, niños!

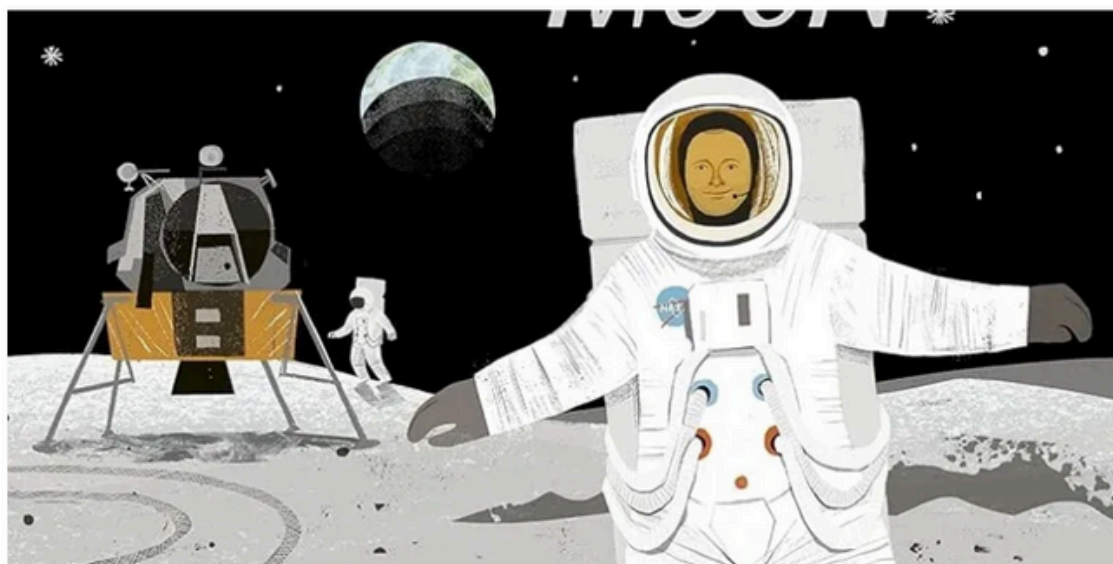

## What's been happening at Underhill this fortnight ?

### 19.9.25 Year 3 are on Google classroom!

For the past two weeks, Year 3 have been working on their computing skills and have learned how to log onto the chrome books and log onto Google Classroom for the first time! They have practised their typing skills - how to write in full sentences, using a capital letter and full stop. They all did very well on their first try!

### 19.9.25 Year 5 are off to Space!

Year 5 have been busy launching themselves into space in science, literacy and computing. We have begun to write some amazing narratives about landing on the moon inspired by our book 'When we Walked on the Moon'. In science we have been developing our understanding of our solar system. This included how the moon orbits our home, how many moons other planets have and as well as previous theories of our solar system. In computing we discussed transmission of information from the Mars Rover using binary code. In art we have begun to draw to represent movement and we hope to share some of our developing artwork in the coming weeks.

## FREE KS2 LEARNING

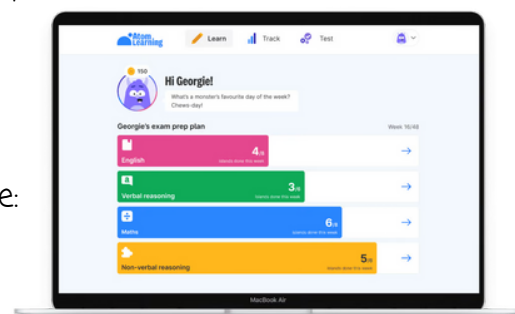

We work in partnership with Atom Learning, the leading online Key Stage 2 learning and 11+ preparation platform, to provide children in Years 3-6 who are eligible for Pupil Premium with free Atom Home accounts. Atom Home is normally £575.90 per year.

Atom Home provides Key Stage 2 learning resources, helping children build exam technique, subject mastery and academic confidence.

If your child is aged between 7 and 11 and has been eligible for free school meals at any point in the last six years (please check with the school office if you are not sure), please fill in the form by clicking the link below.

<https://atomlearning.com/pupil-premium/primary-schools>

For other families, there is a five-day free trial of Atom available:  
<https://atomlearning.com/11-plus>

## FREE CHILD CAR SEAT SAFETY CHECKS

Barnet Council is offering free child car seat checks to help families ensure their children are travelling safely.

Wednesday 8th October 2025, 10am - 3pm

Tesco car park, Coppetts Centre, North Circular Rd, N12 0SH

A trained expert from Good Egg Safety will be on hand to check seats, fix errors and offer advice - no booking required. Experts will check your car seat even if your child isn't with you - but if they are, they can also make sure they're seated correctly and safely.

## RECEPTION PARENT SCHOOL TOURS

We are now taking bookings for school tours, they will run every other Tuesday morning at 10am starting from Tuesday 30<sup>th</sup> September. Please call the school office to book your place on 02084492423.
