

## **Garden of Eden (GOE) Church - Worship Team**

The Worship Team at the Garden of Eden Church is comprised of dedicated individuals who through the leading and guidance of the Holy Spirit focus their desire to be of service within the church of Jesus Christ to the support and management of the GOE Church. The minimum number of Worship Team members is three, but more is allowed and acceptable. Currently there are four people on the GOE Church Worship Team.

The Worship Team is a self-electing body of Christian believers who are committed to the ministry of the church and to Christian nudists wherever they may be found. Anyone who feels called to become a part of the Worship Team is welcome, but prime requisites are a significant involvement in the functions of the church along with a demonstrable relationship with Jesus Christ as their Lord and Savior.

It is important that all members of the Worship Team live their lives in accordance with the Word of God and are a witness to all who know them concerning the gospel of Jesus Christ and secondarily their belief in and acceptance of family friendly social nudist values. Openness and transparency must be a defining characteristic of all who serve on the team.

Additionally, as family friendly social nudity is a significant factor of the GOE Church's ministry it is also important that the Worship Team members lead and model that belief by being fully nude wherever and whenever conditions permit, encouraging others to see themselves and those around them as God sees us, as "Very Good" without covering or the objection that so often accompanies clothing.

The current members of the Worship Team are:

- Pam St. Mary, Founder and Pastor
- George Lane, Outreach
- Connie Bebell, Administration
- Steve Bebell, Communications and Technology
