

## 19 Years of Medicare Expertise

# Atlantic Benefits Group – Serving Veterans at 65

Helping Veterans Navigate Medicare with Confidence and Clarity

### ■ Why This Matters

When Veterans approach age 65, they face important healthcare decisions: Medicare eligibility, TRICARE for Life integration, Supplement and Advantage plan choices, and prescription drug coverage. Atlantic Benefits Group provides the expertise to ensure Veterans transition into Medicare seamlessly and with confidence.

### ■ How We Help Veterans

- Medicare expertise at 65 (A, B, D, Advantage, Supplement)
- Explain TRICARE for Life integration
- Help protect retirement savings
- Ensure best-fit coverage with no added cost for advisory services

### ■ Benefits for Veterans

Confidence – Trusted Medicare guidance	Clarity – Medicare + TRICARE explained
Protection – Avoid costly mistakes	Peace of Mind – Health + finances aligned

### ■ Atlantic Benefits Group – 19 Years of Medicare Experience

Since 2006, Atlantic Benefits Group has guided Veterans and their families through the Medicare transition. We focus on avoiding costly mistakes, maximizing healthcare and financial protection, and delivering peace of mind.
