Accommodation

Participants are responsible for their own accommodation needs. There are a range of options within easy reach of the venue.

Accessibility

There is a stair lift to access the main lift to all floors. Please ask for assistance at the reception desk and inform them of any condition which may affect your safety in the building e.g., hearing difficulties. They will then arrange someone to assist you in the event of an alarm or evacuation.

If you are not a wheelchair user but need assistance with stairs, the stair lift has a retractable seat; please ask a member of the team when you arrive, and they will assist you. An accessible bathroom for those with physical disabilities is located on the 4th floor, on the left of the lift.

A gender-neutral bathroom is located on the ground floor by the lift. Female bathrooms are on each floor in the lift lobby area, and male bathrooms are at the far end of the breakout area.

Mutual Respect

We aim to work in a way that celebrates diversity and challenges discrimination. We accept our role in eliminating the additional risks some people face because of their age, gender identity, disability, sexual orientation, race, or ethnic origin.

We expect our staff and representatives to treat those attending our events with respect. We expect those attending our events to treat others with respect. We reserve the right to ask anyone considered to have behaved in an unacceptable or discriminatory manner to leave.

Proceed to the assembly point located on Epworth Street and await further instructions.

Do not stop to collect personal belongings.

Do not re-enter the building until instructed that it is safe to do so by the fire warden.

Do not attempt to fight any fire until the alarm has been raised and is safe to do so.
