

**Greetings from Bates:**

We are beginning another fundraiser for the restoration/renovation of our 1907 Bates Hall. Our goal is for all to enjoy the Hall for another 100+ years. This fundraiser is printed bricks/tiles, one or the other, or perhaps a combo for a future brick project. Receiving enough orders to make any project viable means getting the word out so they are ordered and ready when they do fit into the project. They are four x eight (red) and will be \$50 each. There is no limit on the number of orders. [Note: We ask that you please get your order in as soon as possible to be included in our "initial" order. Future orders will be made when they reach 10. Thank you!]

**Checklist:**

- I wish to participate in the Bates Hall Project.
- My \$50 (per order blank) is made payable to: BHPS Brick Project.
- I have filled out the order blank below.

I wish to have the following engraved on the brick/tile: (whatever is selected by BHPS for the project). [Note: Maximum 21 characters per line including spaces and punctuation with a four-line maximum. You will be contacted with any questions and a preview of your wording if contact information is provided. BHPS reserve the right to reject any wording deemed inappropriate and your payment will be refunded with the reason. Please direct any questions to Sue Passamani at 906-265-4771 or email [dspass116@gmail.com](mailto:dspass116@gmail.com)].
