

MOORISH NATIONAL REPUBLIC OF PEACE (M.N.R.P.)
DECLARATION OF INDEPENDENCE AND RESTORATION OF
SOVEREIGNTY

Affirmed this day of our Restoration, June 19th, 2020 Reaffirmed and
Proclaimed in Full Force, February 16th, 2025

We, the Supreme Religious Council, the Council of Provinces, and the Moorish National Assembly of the Moorish National Republic of Peace (M.N.R.P.), gathered in solemn assembly under the Divine protection of the Creator of the Universe, do hereby proclaim to the nations of the earth our full Independence, Sovereignty, and Rightful place among the family of nations.

Acknowledging the ancient succession of the Empire of Morocco, and with sacred allegiance to our bloodlines, heritage, and divine covenant with the Most High, we affirm before the world that we, a Moroccan Nation, are a free and independent government — established by the will of our People, in accordance with natural law, international law, and the principles of self-determination enshrined in the Charter of the United Nations and the Law of Nations by Emer de Vattel.

Preamble of Purpose

We, the natural heirs of Al Maghreb Al Aqsa, ancient children of the Moroccan Empire, scattered across foreign dominions by the winds of colonization and dispossession, now reclaim our sovereign status and restore our rightful nationhood.

Our claim is not born from rebellion but from the sacred covenant of heritage, bloodline, and divine law. No foreign rule, nor administrative power, nor colonial decree shall dissolve the eternal bond between our People and our Land, our Law, and our Faith.

We reject the false chains of foreign jurisdiction and restore our sovereignty, full and undivided, according to the principles of jus sanguinis and jus soli.

Declaration of Sovereignty

1. The Moorish National Republic of Peace (M.N.R.P.) is a free and independent de jure Moroccan government in exile, possessing all rights and powers of sovereignty, recognized by natural and international law, and not subject to any foreign dominion, control, or taxation.
2. Our sovereignty is exercised through the Supreme Religious Council, the Council of Provinces, and the Assembly of Nationals and Citizens, who constitute the lawful governance of our state and its affairs.

3. **Our territorial jurisdiction includes all lands, trusts, and properties conveyed to the M.N.R.P. by lawful means, held in right of sovereignty for the benefit of our People, under divine trusteeship.**
4. **The Constitution of the M.N.R.P. is the Supreme Law of the Land, governing all Provinces and Nationals. Our system is Theocratic, Political, Judicial, Civil, and Military, ensuring complete protection of our society.**
5. **M.N.R.P. shall exercise full extraterritorial jurisdiction over its Nationals and Citizens, their property, and all matters concerning the state, regardless of foreign claims of territory or authority.**

International Proclamation

We declare our position to the world, affirming:

- **Our right of self-determination under the United Nations Charter, Articles 1(2) and 55, and the Declaration on the Granting of Independence to Colonial Countries and Peoples (UN Resolution 1514).**
- **Our succession to the Treaties of our forefathers, including the Treaty of Peace and Friendship (1786/1836), the Treaty of Madrid (1880), and the Act of Algeciras (1906).**
- **Our protection under the Universal Declaration of Human Rights, including Articles 13 (right to freedom of movement) and 15 (right to nationality).**

We remind all nations that a small republic is no less sovereign than a mighty empire, and the dignity of our people is not measured by the weight of our treasury, but by the unbreakable spirit of our sovereignty.

Affirmation of Rights

We affirm that:

- **The Rights of our People are inherent, unalienable, and ordained by the Creator.**
- **Due process shall be secured for all Nationals, with protections against unlawful seizure or detention.**
- **Freedom of travel, religion, commerce, education, and assembly shall not be abridged.**
- **Our government shall be the sole trustee for the welfare and advancement of our People.**

Closing Declaration

In unity, with firm reliance on the protection of Divine Providence, we mutually pledge to one another our lives, our fortunes, and our sacred honor.

Let this be known to all nations:

The Moorish National Republic of Peace stands, not as a corporate fiction nor colony, but as a living sovereign nation of the Moroccan people, governed by natural law and protected by the Most High.

By the authority vested in us, we seal this Declaration with the Power of the State.

For and on behalf of the Government of the Moorish National Republic of Peace:

/s/:Eric Ingram Bey

Grand Wazir & Heir of the Moroccan Nation
