## **TITLE I - CRIMINAL CODE**

### **CHAPTER 7 - BIOLOGICAL WEAPONS**

#### **Section 1. Prohibitions with Respect to Biological Weapons**

(a) **In General**—Whoever:

1. Knowingly develops, produces, stockpiles, transfers, acquires, retains, or possesses any biological agent, toxin, or delivery system for use as a weapon;
2. Assists a foreign state or any organization to do so;
3. Attempts, threatens, or conspires to do the same;

shall be **fined or imprisoned for life or any term of years**, or both. This section applies **extraterritorially** to any offense committed by or against a National of the **Moorish National Republic of Peace** (MNRP).

(b) **Additional Offense**—Whoever knowingly possesses a biological agent, toxin, or delivery system **without a lawful purpose**, such as medical research or defense, shall be **imprisoned for up to 10 years**.

---

#### **Section 2. Requests for Security Assistance in Certain Emergencies**

(a) The **Jurist Council** may request the **Supreme Religious Council of Government** to provide security and enforcement support in an emergency involving a biological weapon of mass destruction.

(b) The Supreme Religious Council may authorize enforcement measures to protect the people of MNRP and its interests against biological threats.

---

#### **Section 3. Possession by Restricted Persons**

(a) **No restricted person** shall ship, transport, or possess any biological agent, toxin, or delivery system if listed as a **select agent** unless explicitly permitted by **MNRP law**.

(b) **Restricted persons** include those:

- Convicted of a felony involving biological or chemical threats;
- Found mentally incompetent by a court of law;
- Identified as an enemy of the state by MNRP jurisdiction;
- Engaged in unauthorized foreign dealings involving biological threats.

Violators shall be **imprisoned for up to 10 years** or fined.

---

#### Section 4. Variola Virus (Smallpox) Prohibition

- (a) It is **unlawful** to produce, engineer, synthesize, acquire, transfer, or possess the **variola virus** or any derivative capable of causing **human smallpox**.
- (b) **Exceptions** apply to government-authorized research for legitimate defense purposes.
- (c) Violators shall be **fined up to 2,000,000 Noble Dollar and imprisoned for not less than 25 years, or for life** if the offense results in death.
- 

#### Section 5. Seizure, Forfeiture, and Destruction

- (a) **Warrants for Seizure**—A **Jurist of the High Council** may issue a warrant to seize any biological agent, toxin, or delivery system unlawfully possessed or transferred.
- (b) **Emergency Seizure**—Law enforcement may confiscate and destroy such materials **without a warrant** under exigent circumstances.
- (c) **Affirmative Defense**—An individual may contest a seizure if they demonstrate a lawful, peaceful, or medical purpose for possession.
- 

#### Section 6. Injunctions Against Biological Weapon Offenses

- (a) **MNRP Government** may file civil injunctions against:
1. Individuals engaged in developing, stockpiling, or using biological weapons;
  2. Entities involved in biological weapon proliferation;
  3. Threats or conspiracies to engage in biological warfare.
- (b) **Affirmative Defense**—The accused must prove that the material was held for a **legitimate, peaceful purpose**.
- 

#### Section 7. Definitions

For the purposes of this Public Law:

1. **"Biological Agent"** refers to any microorganism (bacteria, virus, fungus, etc.) or infectious substance capable of causing **death, disease, or environmental damage**.
2. **"Toxin"** refers to any poisonous substance derived from biological organisms, such as botulinum toxin or ricin.

3. **"Delivery System"** refers to **any means of dispersing a biological agent**, including mechanical, chemical, or manual methods.
4. **"National of the Moorish National Republic of Peace"** refers to individuals legally recognized as **MNRP Nationals** under the Repatriation Act.
