Dear Future Collaborative Partner,

The 16th Annual Fontana CAP Resource Fair is on the horizon. The goal of the CAP fair is to connect members of our community with programs and services, sharing upcoming events allowing them to meet with providers in our region. Our goal is to create a one-stop shop by hosting a variety of organizations for the community to take advantage of.

It is our hope that you will consider collaborating with us for this event through sponsorship and/ or vendor participation. Attached you will find sponsorship opportunities, as a sponsor, you will be playing a major role in the Fontana Community Assistance Program efforts to break down barriers, by providing needed resources to our community.

As CAP coordinator, I would like to thank you for considering this opportunity and your continued support. Feel free to contact me with any questions you may have.

Best Regards,

Renele Awono
