

EGYPT EXPLORATIONS TOUR WITH 4-DAY NILE CRUISE

April 17-28, 2027

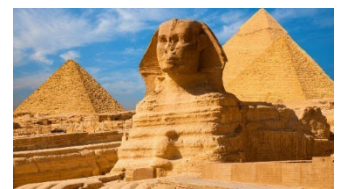

Join us with a unique opportunity to follow the footsteps of Moses, Elijah, the children of Israel, and Jesus Christ in the very lands of their sojourns. Our scriptural and historic journey will traverse Lower and Upper Egypt. We will sail on the Nile, walk through magnificent temples and tombs, explore Wonders of the Ancient World, and traverse sandstone and granite monuments. Egypt is more than a destination — it's a timeless journey through the wonders of the Pharaohs, the warmth of its people, and the magic of its landscapes. From the awe-inspiring Pyramids of Giza to the Mediterranean Sea — every moment here is a story waiting to be lived.

Day 1 (Saturday, April 17) Depart home city to Cairo, Egypt. (Meals on flights.)

Day 2 (Sunday, April 18) Arrive Cairo. Transfer to Steigenberger Pyramids Hotel, Giza. (Dinner upon arrival.)

Day 3 (Monday, April 19) Cairo, Memphis, Saqqara, Giza.

After breakfast our first visit is to **Memphis** (capital of the Pyramid Age) and **Saqqara** (Djoser's famous step pyramid); we'll then transfer to **Giza**. We begin with the world-famous **Pyramids of Giza**, classified among the **Seven Wonders of the Ancient World**. Here we'll stand in awe of their size and magnificent engineering. Then we will come face to face with **the 5,000-year-old Sphinx**. Some may choose to ride a camel with the Great Pyramids and Sphinx as a background. As time permits, we will include visits to a carpet factory, the Papyri Institute, and some may choose an optional evening light and sound show at Giza. A short distance away is our **hotel near the Pyramids and the GEM** (B, D)

After lunch we will transfer to the **National Museum of Egyptian Civilization (NMEC)** in Old Cairo which is a sweeping, multi-civilization complex exploring Egyptian heritage from prehistoric times to the modern era. Today we will first visit the **Graeco-Roman Temple at Kom Ombo**. The temple at Kom Ombo is about 30 miles north of Aswan and was built during the Graeco-Roman period (332 BC-AD 395). The temple is unique because it is a double temple, dedicated to **Sobek the crocodile god**, and **Horus the falcon-headed god**. The layout combines **two temples in one** with each side having its own gateways and chapels. Here we will also learn some of the early **Egyptian temple ceremonies** and translate some of the **significant hieroglyphic symbols** associated with those ceremonies. After lunch, we continue down the **Nile River** (north) to **Edfu** and its magnificent temple. Dinner and shipboard entertainment will highlight our evening. (B, L, D)

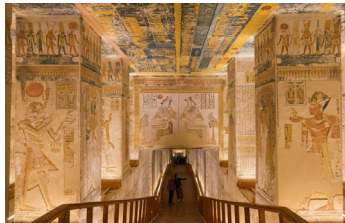

Day 7 (Friday, April 23) Nile Cruise Day – Temple of Horus at Edfu, Pass through Locks of Esna.

Our first visit this morning is to the **Temple of Horus in Edfu**, the **second largest temple in Egypt**. The Egyptian god Horus was also portrayed as the falcon-headed god. Returning to our ship, we have lunch as we continue down the Nile passing through the **Esna Lock**. Passing through the Esna Lock is a thrilling experience for Nile cruise passengers. The lock is an engineering marvel, and watching the gates open and close is a sight to behold. At this point we are about 485 miles south of Cairo. We will participate with the many rowboat merchants that toss their wares from their boats to the passengers on our cruise vessel as we sail. We will continue to sail down the Nile **through the Esna lock** and on to **Luxor**. (B, L, D)

Crossing the Nile once again we will tour the famous **temples of Luxor and Karnak** (the largest religious building ever constructed). We will also walk the newly opened **"Avenue of the Sphinx."** After dinner at the **Luxor Steigenberger Hotel** some may choose to have

It is considered one of the best preserved and beautiful temples of Egyptian antiquity. Here also we visit the **Solar Boat Museum** to see the funerary barge used 4500 years ago by Pharaoh Khufu (also known as Cheops, the second pharaoh of the Fourth Dynasty of the Old Kingdom of Egypt). Our visit to **the GEM** will help us review the history and see life as it existed at the time of the pharaonic dynasties.
