

# National Theatre On Ice Competition

Theatre On Ice teams in the United States can compete at the National Theatre On Ice competition every year. The 2025 competition will take place in Allen, Texas at the Dallas Figure Skating Club.

## Where to stay?

As a team, we will book a block of rooms in a hotel for the competition once they are announced. In years past, many teammates will room together to help cut down on personal expenses.

We have booked a block of hotel rooms at Holiday Inn Express, 205 Central Expressway N., Allen, TX 75013. The rooms are reserved for June 23, 2025- June 29, 2025. These rooms have two queen beds. They will be \$119 a night plus tax. The hotel does offer breakfast with your room.

You will need to book your room by November 1, 2024. After November 1, 2024, the hotel rooms will be released and we will no longer have the discounted rate. After this date we also will not be able to guarantee that we are all staying at the same hotel together, it is important we are all together for schedule planning purposes.

## How to get there?

In the past, On Thin Ice team members have travelled by plane, train or car. Getting to the event is the individual skaters responsibility to plan, the team doesn't tend to travel together as a whole team.

## What is the time commitment?

The 2025 National Theatre On Ice competition dates are June 24-28, 2025. In past years, team members were required to arrive at the host

city 1-2 days before the event begins. There is unofficial and official practice ice during the event, and the days leading up to the event, every team member is required to be in attendance for. Members are free to leave once the Adult events have concluded. (Estimated time commitment from June 23rd through June 28th).

## **Other suggestions**

In years past team members have rented a car together. Please consider this vs Uber and Lyft. Sometimes the timing of the competition will change last minute and we won't have much notice. A tentative schedule will be made once a National's schedule is posted, times can and will fluctuate up to 2 hours ahead of time.
