

A SHORT COURSE FOR NEW MEMBERS AND A REFRESHER FOR OTHERS

1. Arrive at the golf course in plenty of time to check in with the Table.
2. If you have preregistered, check with the able to see if you are the first in your foursome to arrive. If so, complete the scorecards (no more than two players per card) for your group and turn them in with the table fee (currently \$5 per member). No scorecards will be accepted without full table fees. Proceed to the Pro Shop and pay your green fees.
3. If you have preregistered and you determine you are not the first person in your group, just proceed to the Pro Shop and pay your green fees.
4. If you have not preregistered, notify the table that you are there and have not preregistered. Then await the assignment of your starting hole. After receiving your hole assignment, go to the pro shop and pay the appropriate green fees.
5. If carts have been designated by the course for a particular hole grouping put your clubs on the designated cart; if carts are not pre-assigned by the course select an empty cart.
6. During the course of play - play ready golf. If there is a group consistently waiting for you to play and there is no group immediately in front of you, let the group behind you play through.
7. On the Par 3 closest to the pin holes, ensure you are marking the correct flight placard. If you place your name on the incorrect placard, you disqualify all members of that flight
9. When completing your scorecard, it is important to write legibly and to ensure that your score is totalled correctly. Do not total the points and do the appropriate math to obtain your score. The table verifies and enters the SCORE. Once the signed card is turned in, any mistakes in entering your score for a particular hole, cannot be corrected.

An example of how to complete a scorecard is as follows:

- 1 – *Legibly enter each players name
- 2 – Legibly enter each players member number, flight (A,B,C,D) and points required
- 3 – Enter the current date

Now you are ready to give your scorecards to the Table with each player's table fee

- 4 – As the round is played, enter each player's actual score for each hole
- 5 – On the line below the score, enter the appropriate points earned for each hole (If no points are earned the points line can either be left blank or a dash (-) inserted as a place marker

- 6 – Tally the actual score at the end of each nine holes
- 7 – Total the number of points earned at the end of each nine holes

- 8 – Birdies and better scores should be highlighted for easy identification with a red circle around the score

At the end of the round

- 9 – Tally each player's score
- 10 – Total the number of points earned by each player

11 – If you'd like to know how each player fared in regard to their required points, subtract the points earned from required number and the difference (insert +/- sign as needed)

12 – *Sign your card as "Scorer" and "Attest" the scores on the other cart's card.

RETURN ALL SCORECARDS AND PIN MARKERS TO THE TABLE BEFORE UNLOADING YOUR CLUBS AT YOUR VEHICLE
