2020 is gone!! With the weather and COVID it was not a good year for SGAA golf.

Let's forget the past and think of the future. A lot of good things are on the agenda for 2021. Kickoff luncheon in February, another Par 3 tournament (in the works), Smokey Mountain, Little Ocmulgee, Lake Gunterville, and the Member Guest at Myrtle Beach are the out of town trips for this year. Hopefully the COVID issue will not loom so dreadfully over us this year and our participation will be back to normal. I'd like to encourage our newer members that haven't had an opportunity to join us on our out of town outings to try to work at least one or more of these trips into your schedule this year.

Dave Mueller has (is) working extremely hard on our 2021 schedule. We have dropped some courses and added a new one or two. Browns Mill will not be available to us until the City Of Atlanta allows them to take groups. Tyrone says he will let us know as soon as it's released from this restriction. Cedar Lake is in the same situation. There are a few dates pending, either open or haven't signed the contract. Take a look at the schedule on the website. We have made Panola Mountain a par 72 instead of 71. Holes 3 and 11 are now par 5 instead of par 4. Play from the same tees, no moving back.

We did have enough golfers to get in two rounds in December. They were both chilly to say the least. It's hard to get out of a warm bed to go to a cold windy golf course, but if you have your periwinkle earmuffs and matching hat (Kerry Phillips) you can stay reasonably warm.

Hope all of you had a happy holiday and Santa was good to you.

As we start the new year, we're still dealing with some of the 2020 problems. The schedule has not been fully filled for 2021.

We have added Sugar Creek to the schedule for 2021. We have lost several courses due to the Covid virus. They include Browns Mill, (may come back when Covid is over), Stone Mountain and Lake Spivey. Cedar Lakes is on the schedule, but will cancel as needed for the Covid restrictions.

If anyone would like to get involved with booking, please contact me.

Courses are happy to have us, with a few complaints about driving carts to close to the greens. I am hoping for a great year this year.

My thanks go to Bill Palmer and crew for putting up with all the changes last year; I'll miss the phone calls.
