Well, another month has gone by. We had a great trip to St. Simons and a lot of good golf. Thanks to all who came to the Member-Guest. We had good food, great weather, and good golf.

Our trip to Guntersville, Alabama is coming up fast. Last day to register is November 1st. Come and enjoy a good time with the group. Danny does a great job on this event. Let's end 2022 with a big turnout.

Be sure and sign up for our year end Banquet. Get your \$20 fee to Tom Vardase. All the information is on the website and in this Newsletter.

All changes and information about the SGAA can be found on the web.

Remember starting in November thru February our tee time changes to 10:00am.

Let's have some fun and play some golf.

***In Memorium***

Lest we forget, this golf we play is just a game. A game we enjoy as often as we can. These members passed away this year and no longer have that opportunity let us not forget them. Let us offer this golfer's prayer...

*"For all the times I have swung a club, for the many friends and the game I love, for the patience I have found in sand or rough, for the excitement of making the shots though tough; for success is not measured by holes in one; but by the times that are shared when having fun.*

*Lord would you grant me one last request; to play You a round of the game I love best."*

Winter golf is on the way. The fairways are getting thin and hard – like hitting off of pavement – and the rough is getting shaggy. Really! It's 3-4 inches deep in some places. You have to literally step on your ball to find it on courses such as Southland, Crystal Lake, GA National and Smoke Rise and I'm sure others as well (I wonder, would a weed-eater be counted as one of my 14 clubs? I think it would be more like a ball retriever wouldn't it?). To get out of such a lie truly requires a machete – not a rescue club. To add to the challenge, we all have to dress up in multiple layers of clothing so that we resemble the little brother in the movie "A Christmas Story" in his snow suit. All of this is not conducive to great scoring. It can become a bit frustrating – particularly as that Velcro rough near the greens reaches out and snatches your ball when it would otherwise gently roll on the green and up to the hole. I offer my sincere apologies to those who have endured my self-directed rants of anger (you know who you are) as my beautiful drive is swallowed by sand traps that more closely resemble the La Brea Tar Pits, or as my third putt races past the hole on an alpine green (as in, lots of hills and valley's). I'm sure I'm not the only one. I've witnessed others tossing curses and clubs as well. Luckily no one has gotten hurt by a flying 7-iron . . . yet. So, I say this to all as well as to myself: Although we often wonder why we play this game, face it – we'll be back to play whenever we can, and be appropriately humbled once again (well, unless you're Pat, or Mike, or the other's in our group who make it look so easy), and that's ok. I want to thank all of you who brave the pitch-blackness of the early morning, bitter cold, and strong winds, for continuing to join us for play. "Playership" remains as important in the "off-months" as it is "in-season". After all, it's always true that we have a stronger negotiating position when we bring numbers to the courses we play.

Now, all of those challenges I mentioned bring up another point of discussion that requires regular mention. Slow play. That's right, in spite of all of the challenges the courses throw at us, we need to try to keep the pace of play up as much as we can. Even in winter. It's my belief that a chief cause of this is lost balls. I know this because I seem to lose a gross of balls each month or so. Now, I understand that many eyes may help find a lost ball. That's certainly true if only one ball is lost. But, consider this extreme example: Assume all four hit out of bounds, deep woods, or deep rough. Looking for all four consecutively can add another 12 minutes to an average 15 minute hole making that hole approach a half an hour to play. So, in such a case consider looking for those lost balls concurrently vs. consecutively (each looking for their own vs. all looking for one then another, etc.) So, if you know the ball is OOB and not likely to be found, consider wishing that ball a fond farewell and good future life, dropping a ball, and taking the stroke you were going to have to take anyway. I obviously can't dictate that. The rules say you have three minutes and if you have an unhealthy emotional attachment to the ball, by all means, go ahead and look for it. I avoid the emotional issue by telling every ball I play that it should expect to be lost. Regardless, try to keep pace with the group in front of you. If you can't see them on the green when you're on the tee, you may be falling behind.

*Continued from page 2*

Our annual member-guest was a success in spite of a relatively low turn-out that was probably due economics as much as anything. Dave (with help from Claude and others) did a masterful job putting it together, and responding to unanticipated issues while not missing a stroke. Literally. From what I saw, all had a great time. Even the approaching hurricane didn't dampen spirits. Those brave souls who played the last game in 25mph sustained winds (and gusts that must have exceeded 60-70 mph) got some great practice in having to hit into winds that required a 3-club club-up! The music provided on the final night was a highlight. We were entertained with a variety of old favorites. And then Danny Harris pulled out his crooning voice and surprised us all.

Our new pre-registration process has been ongoing for several months now and, while generally working from the perspective of giving courses a better estimate of the number of players to expect, some flaws and unanticipated challenges have bubbled to the surface, usually around hole assignment and tee-sheets (apologies to Bob – and others - for giving him whiplash from shifting him from one group to another, several times). We'll continue to adjudicate and adjust the process as time goes by.

Our final out-of-town event is coming up in early November and I eagerly look forward to seeing many of you there to witness me hitting a dismal score in the beautiful hills above Guntersville Lake.

Be sure to get your raffle tickets for a variety of high-quality items (several Cleveland wedges, a putter so good I'm tempted to keep it, and a number of other items of great intrinsic value!) either prior to the year-end banquet or at the event. If I get enough money before the banquet, I'll add to the number and value of the prizes to be given out at the drawing!

## *Rambling from Tee to Green*

Although much is known about the statistical profile of professional golfers, little has been published on the play of amateur golfers. Here are some specific statistics that will help you be better and perhaps predict your score.

For example, the number of pars made could be used to accurately predict score, using the equation,  $SCORE = 102.6 - 2.7 \times \#pars$ . If a player typically makes 7 pars each round, his/her likely average score would be  $102.6 - 2.7 \times 7 = 83.7$ . Take a look at how many pars you usually make in a round (analyze your last 5 rounds).

Another good predictor is greens in regulation, GIR. A formula discovered for GIR is  $SCORE = 95.1 - 2.0 \times GIR$ . If you are an excellent ball striker and happen to hit on average 15 greens per round, then your likely average score would be  $95.1 - 2.0 \times 15 = 65.1$ .

Let's say your scoring average is 89. You have a goal to get down to breaking 80, thus a scoring average of 79. Compared to overall average golfer statistics, you need to improve by:

- † increasing GIR from 3 to 8 (267% increase)
- † increasing Iron Accuracy from 20 to 53% (265% increase)
- † reducing Putts per Round from 35.0 to 31.7 (9.5% decrease)
- † reducing Pitch/Chip/Sand from 15.6 to 9.8 (37% decrease)

# 2022 SGAA CANDIDATES FOR OFFICE

## **FOR THE OFFICE OF PRESIDENT**

**LARRY FAUCONNET** – Larry Fauconnet joined the SGAA in 2015. Larry is currently Vice President and is serving as the chairman for the Table workers.

Larry Fauconnet  
Member since 2015

Larry is a retired Army Lieutenant Colonel, completing 28 years of commissioned service in 2008. Larry was an intelligence officer (with specialization in tactical and counterintelligence) for the bulk of his time in service. While with the Army he served with 3<sup>rd</sup> Armored Cavalry Regiment, 3<sup>rd</sup> Armored Division, 513<sup>th</sup> Intelligence Brigade, Army Environmental Policy Institute, 10<sup>th</sup> Special Forces Group, 5<sup>th</sup> Special Forces Group, and in other assignments. Larry is a combat veteran of both the Gulf War (operations Desert Storm, Desert Shield, and Provide Comfort) and OIF (Operation Iraqi Freedom). However, Larry knows that even with 28 years in uniform, his service still can't compare with the significant service of the Vietnam Vets who served just before him.

In his civilian life, Larry worked as a competitive strategist with AT&T and continues to work, along with his wife, Dede, as a competitive intelligence and strategy consultant with Inovis - a Swiss-based market insights firm - where Larry advises a number of fortune 500 companies regarding competitive strategy.

Larry holds a BA from Carson-Newman College in TN, an MA from Towson University in MD, an MBA from Mercer University in GA, and has graduated from the Army's Command & General Staff College.

Larry and his golf-supporting and very understanding wife, enjoy working with several Dog Rescue groups in GA, SC, and France. They have two grown children (Laurance II who works with NASA and the JPL and Brittany who works in movie production in California).

## **FOR THE OFFICE OF VICE PRESIDENT**

**RON WADE** – Ron Wade joined the accounting firm Arthur Andersen & Co. after graduation from Mississippi State University in 1960. As of his retirement in 1995 he was Regional Managing Partner of Andersen offices in western Missouri, Kansas and Nebraska. He has extensive experience with not-for-profit organizations having served two terms as Board Chairman and as Campaign Chairman of the Greater Kansas United Way and two terms as Board Chairman of the Pensions and Benefits Board of the Evangelical Covenant Church, among others.

Ron Wade  
Member since 2017

After his retirement, Ron and his wife Dot, to whom he has been married (and who he has obeyed assiduously) for over 60 years, moved from Kansas City to Reynolds Plantation. They moved from Reynolds to Snellville in 2014.

At Dot's specific direction Ron took up golf after his retirement (there was mention of too much idle time in **her** house). After some initial resistance to the idea, he found, as others have, that the game can be addictive. He joined SGAA in 2017 and has served on a registration table for the last 4 years.

Faith is an important influence in Ron and Dot's lives. Both are active in The Church on Main in Snellville.

## **FOR THE OFFICE OF SECRETARY**

**TED POGUE** – I've been a member of SGAA since 2007. I am a widower with 3 children, 6 grandchildren, 3 great grandchildren; I served in the U.S. Navy 1959-1966. I was born in Tennessee and have been a resident of Georgia for 59 yrs. I retired after 37 years with AT&T; and having served as an Officer of CWA Local 3250 for 30 years. I have been an Elder of Covington Christian Church for 22 years. I served as Table captain 3 years, Table Chairman 2 years, Vice President 2010, President 2011, Board member (2010-2022) Co-Chair for in-town scheduling committee 6 yrs.; Nominating committee 2012-2022; and served on various other SGAA committees, SGAA Executive Committee 9 years, Secretary SGAA 2015-2022

**Ted Pogue**  
Member since 2007

## **FOR THE BOARD OF DIRECTORS**

**KEVIN ANDERSON** -- I would consider it a privilege to serve as a member on the Board of Directors for the Senior Golfers Association of Atlanta (SGAA). In this capacity, my focus would be to promote initiatives designed to increase membership, and enhance our organization's relationship with both existing, and potential golf course partners.

**Kevin Anderson**  
Member since 2021

After serving 20 years as a Naval Flight Officer, I retired as a Commander (O-5) from the United States Navy Reserve. During my flying days, I deployed on the USS John F. Kennedy (CV-67), USS Dwight D. Eisenhower (CV-69), and USS Constellation (CV-64). In addition to my at-sea deployments, I served 4 years in Ramadi, Iraq, as a Senior Economic Advisor on the U.S. Department of State's Provincial Reconstruction Team (PRT). After my service in Iraq, I deployed to Afghanistan at a Team Leader for a Human Terrain Team (HTT), first in Logar Province, and later in Herat Province. Upon returning home from Afghanistan, my wife, Cindy, and I purchased, and have successfully operated, the Wild Birds Unlimited Nature Shop in Snellville, GA.

Cindy and I have been married for 38 years. We have four children Ashlyn (Scott), Nathan (Suemy), Haley, and Olivia. We are also the proud grandparents of Isabel, and Phoebe.

**DENNIS HANSON** – I joined the SGAA full-time upon retiring in 2018. Before retiring I played as a guest. I have enjoyed every round of golf with the organization, the good golf days and the not so good golf days. I now work on the Tuesday table and seek to join the Board of Directors.

**Dennis Hanson**  
Member since 2019

The wife and I have been married for 48 years which produced two children and two grandchildren.

**PAT HOLDER** -- I was born and raised in Newport, Rhode Island. My introduction to golf was during my teenage years as a caddy at Newport and Wanumetonomy Country Clubs. I played on my high school golf team for three years which gave me a passion for the game that is still with me today.

Pat Holder  
Member since 2017

In October 1967 I was drafted into the U.S. Army and served in South Korea on the DMZ for 15 months. Upon returning to the states at the rank of Sargent (E-5) and completing my two years I was honorably discharged.

I studied at Salve Regina University and received my degree in Business Management. Moving to Atlanta in 1985 I worked for Mitsubishi Motor Sales as a District Manager for the Southeast Region. After 11 good years I took a position with the consultant firm of Automotive Dealer Management Inc. as a Field Operations Manager.

Currently I live in Cumming with my wife, Maggie and our two Shizu puppies Bella and Lucy.

We are members of St. Benedict's Catholic Church in Johns Creek.

I joined SGAA in 2016 and enjoy being a member. There is a lot we all can contribute to keep this association growing.

This year is the 65<sup>th</sup> Anniversary of the SSGA providing good golf and good fellowship which we all have benefitted from. My position as table worker allowed me to interact with many of the players and influenced my decision to serve on the board. It would be my honor to give back to this association.

**WARD HUMPHRIES** -- For all the members I have not met, or had the pleasure or pairing up with on the course, let me introduce myself. My name is Ward Humphreys and I have been nominated for a position on the Board of Directors of SGAA. Originally from Lakeland, Florida, I moved to Athens, Georgia in the mid-sixties to attend the University of Georgia, earning a BBA '69. Go Dawgs

Ward Humphreys  
Member since 2012

With my soon to be wife Laura, I moved to Atlanta in 1972 and started a twenty five year career in retail motorcycle sales, parts, and accessories. After selling the motorcycle business in 1998, I began a second career in retail grocery, continuing to the present in a contract grocery merchandising capacity.

Laura and I have lived in Duluth for thirty plus years enjoying our two grandchildren in close by Suwanee.

Searching for a safer hobby than motorcycles, I took up golf and joined SGAA in 2012. As a proud member, I have enjoyed the golf, but especially enjoyed the fellowship and friendships made with a great group of guys. During my ten years in SGAA I have been impressed with the volunteer participation and leadership and figure it's time for me to 'pitch in.'

**Jim Knapp** -- I was born in Cleveland, Ohio. While attending Solon High school, in Cleveland, I was a member of the golf team and served on the Student Council. I earned a degree in Business Administration from Clayton State College.

Jim Knapp  
Member since 2022

I worked in the logistics industry for fifty years and was an active member of the Atlanta Air Cargo Association. In 2002 I was founder and owner of Pro Air Cargo Sales, Inc. I retired in November 2020.

I currently attend Community Bible Church in Stockbridge, Georgia.

**GARY NELSON** -- Gary became a member of SGAA in 2015, serving as rules coordinator for the last three years. It's been a wonderful time of fellowship and enjoyment of the game!

Gary Nelson  
Member since 2015

Gary is a native from Loganville, Georgia. He and Chris have been married for 46 years. They have two daughters, son-in-law and three granddaughters.

He worked for AT&T as an electronic technician. During those years, he was in the Georgia National Guard for six years. Gary retired from AT&T with 31 years of service. Upon his retirement, he went to work for Atlanta Equipment Company and retired from AEC with 15 years.

Gary always enjoyed running and basketball. Playing basketball in high school and until he was 55 years old. He ran in two half-marathons, 100 10K's and collected 29 Peachtree Road Race t-shirts, running in the very first race. Gary started playing golf shortly after joining AT&T, giving it up only to coach his daughters in softball and basketball.

These gentlemen comprise the official list of candidates for the 2023 Senior Golfers Association of Atlanta and are the only names on the ballot.

The By-Laws, Article IV, Section C paragraph 4; specifically states:

” All names for nominees must be submitted by September 15. Any member desiring to run for office after that date must participate as a write-in candidate. (R15)”

## **BALLOTS and VOTING**

A ballot follows with instructions for mailing your ballot or delivering it in person to the Election Committee.

The ballots will be counted and the results made public at the Year End Banquet on November 17, 2022.
