Despite the bumbling and mumbling by yours truly, the weather and Covid, fourteen of us and six wives had a great outing at Santee, SC on September 30 – October 2. We played three outstanding courses. All were pretty tough. Our average scores the first and third days were 93 and the second day 91. Our eleven A and B players were only able to accumulate 10 birdies over the three days.

Since we only had 14 players, this was not a sanctioned SGAA tournament so we were essentially playing for our self-respect.

I believe that we must continue to evaluate the benefits of this tournament. As I have observed before, we have had a total of three guests over the last three years. Although Mike Nobles' recent survey about the 2025 tournament was encouraging, only time will tell whether it is desirable to continue. A great deal of effort goes into the tournament, and based on my experience the small turnout is not commensurate with the risk.

Twenty of us played the volunteer event at Providence on Monday, October 14th. We played a new format introduced by Rick Carrick; it was a two-man team event with alternate shots. The big winners were Tom Gryder and Chris Curles who tied with Larry Fauconnet and Dave Mueller.

Farther along in the Newsletter you will see the announcement of the year-end banquet and the bios of a great slate of director and officer candidates for 2025. SGAA doesn't work without a strong cadre of volunteers. Please plan now to attend the banquet and vote for directors and officers.

Winter golf is fast approaching as we move into November. I am hoping that our moderate autumn temperatures linger well into November and December because I am not a fan of cold weather. When the grass goes dormant and the layers of clothing increase, my golf game declines. However, I do continue to play because I thoroughly enjoy the fellowship with other SGAA members and guests.

Speaking of members and guests, those who were able to participate in the 2024 Member-Guest Tournament at Santee, SC had a great time. We were unable to have an official SGAA tournament due to a couple of last minute cancellations but we still had a lot of fun. Santee was not impacted by the devastating floods and winds that severely damaged Augusta, Greenville, Asheville and other towns and cities in Hurricane Helene's path. We did see lots of trees and road signs down on our trip up to Santee but the majority of the damage to roads and homes was further west. The three courses that we played (Lake Marion, Santee Country Club and Santee-Cooper) were in excellent shape and quite challenging. The designer(s) of those courses obviously liked dogleg holes because there were lots of them, especially at Santee Country Club. We had perfect weather the entire time we were there, great accommodations and an outstanding dinner on Tuesday. The ladies that attended visited Boone Plantation and Edisto Gardens and enjoyed making new friendships while we played golf. The people of Santee were very nice and welcoming. Many thanks to Ron Wade for the hard work he put into planning and executing this awesome tournament!

I hope all SGAA members will make plans to attend the SGAA Year-End Banquet on November 14 at the Elks Lodge in Tucker. It's an excellent opportunity for fellowship with other members and to see some of those who are not able to play much with us. We are able to celebrate the accomplishments of some of our members and relive some of our best rounds and shots from the past year. One of the primary activities at the banquet is to elect our officers and three new directors. We have six members running for the Board of Directors, so every single vote is critical. Everyone always looks forward to the drawing for raffle prizes at the end of the program. I have purchased and received donations for over \$2,000 in prizes for the raffle. Many of the courses we play have donated rounds of golf. The average value of the 22 prizes that I have thus far is \$84.89 and I expect to receive additional items before the raffle. I encourage you to buy your raffle tickets before the banquet if possible.

The location for the 2025 Member-Guest Tournament is set for Gulf Shores, Alabama. Details on the hotel, courses, meals, etc. will be shared in multiple ways once the 2025 season starts. I hope you will start saving your pennies now so you can participate next October. I will do everything in my power to make sure it is a great event for the golfers and guests. My wife, Jamie, is already researching fun activities for the ladies and the courses look outstanding. I know it is early yet but if you have any questions please give me a call or see me out on the course.

Hope you and your family have a Happy Thanksgiving!

Rambling from Tee to Green

It's been said that life is like a roll of toilet paper; it goes faster the closer you are to the end. If there's any truth to that statement then we must be about 85% through the next to last roll in the package. Here we are, beginning the last full month of play before we pause to regroup for next year.

But before we take that break, there are still important things to which we must tend.

First thing is the election and year-end banquet on the Thursday 14th of this month. Be sure to send your check in by Friday the 8th to reserve your space – it's important that you do this so we have a head count of attendees so there is enough food prepared for the meal portion of this event. In addition to the meal we will be electing the slate of officers and new members to the board of directors for 2025; various awards and other significant activities will be presented; there's a raffle for some pretty nice prizes and let's not forget this is an excellent opportunity for fellowship.

In Memorium

Lest we forget, this golf we play is just a game. A game we enjoy as often as we can. These members passed away this year and no longer have that opportunity let us not forget them. Let us offer this golfer's prayer...

"For all the times I have swung a club, for the many friends and the game I love, for the patience I have found in sand or rough, for the excitement of making the shots though tough; for success is not measured by holes in one; but by the times that are shared when having fun.

Lord would you grant me one last request; to play You a round of the game I love best."

I am a lifelong golfer. I am also a recent transplant to Georgia, from North Carolina. I worked in the golf industry for several years as a young man, and believe golf is the most difficult, but also the most compelling game one can play.

In NC I always had a group for a game. I feel fortunate having found the SGAA. Now I have a group at my new home.

My game has been better, but by playing and practicing more I'm hopeful to get back to the low/mid 80's. I can't wait to get back out there!

Thanks for the opportunity to introduce myself to the group.

Amateur Golfers Make Less Than 40 Percent Of Putts From This Crucial Length'... Arccos Data Reveals Stark Putting Truths

By Barry Plummer in "[Golf Monthly](#)"

As amateur golfers, we often have misguided notions in our heads about how far we hit iron shots or how many 3-putts we are expected to make per round – but the reality is we need to cut ourselves some slack.

Being realistic on the golf course is one of the fundamental golf tips that many professionals will share with you, especially when it comes to our performance on the greens. In this article, thanks to the latest Arccos data, we reveal how often amateur players hole their putts from key distance ranges and even break it down by handicap to help you manage your expectations...

When faced with a putt from inside two feet, a scratch golfer is expected to hole out 97 percent of the time. This number reduces in line with the increase of a player's handicap index, with a 5-handicapper (93%), 10-handicapper (91%), 15-handicapper (86%) and a 20-handicapper (85%) all expected to make at least four out of five in that range. That figure might shock a few, especially those towards the top end of the handicap spectrum, as plenty of amateur golfers will feel they are dropping shots on the field if they slide on past.

The picture from between three feet and five feet paints a similar picture in terms of correlation, but there is a much more alarming decline in make percentage for all golfers. A scratch golfer makes around 69 percent of putts from this range, while a 15-handicapper can expect less than half (47%) to find the bottom of the cup.

With that data in mind, perhaps it's time to shift the narrative when standing over a 'makeable' putt to reflect the increased odds of having to settle for a two-putt.

As I headed further into the data, looking at the putts from six to nine feet, I was shocked by the make percentage of what I would consider to be a decent chance on the greens, when in fact golfers at every ability level from scratch to 20-handicap make less than 40 percent of putts at this crucial length.

As someone who plays off a handicap at the top end of this data set, I initially struggled to accept that players of my ability make around a quarter (26%) of putts from six to nine feet – but upon further reflection I would say that is probably accurate.

Sometimes, amateur golfers can be guilty of inflating their perception of what success looks like on the golf course, and our previous performances, but ultimately the data doesn't lie.

Things start to look rather bleak when you focus on any putt length between 10 feet and 40 feet. The difference in make percentage between a scratch golfer and golfers at any other handicap level, from 25 to 39 feet, is around 1 percent, and there is no difference at all for putts from over 40 feet.

That suggests that a 20-handicapper is just as likely to hole out from 40-feet as someone playing off a mark 20 shots better, exemplifying the lottery of long putts and the premium placed on distance control and three-putt avoidance.

The beauty of this data is that it shows you where to focus your attention, should you want to close the gap on golfers with a lower handicap index than your own. If there is little difference between the success rates of putts from outside 10 feet, perhaps attention on the best putting tips and expert putting drills from close range would be the sensible next step.

The USGA states that the 'average golfer' makes around 40 putts per round, which is just over two per hole. This emphasizes the importance on maintaining a solid two-putt run wherever possible, as costly three-putts then increase the necessity for a few more to be made on the first attempt later down the line. Balancing the books with putting is all about marrying the line, speed and read... so be sure to put in the work away from the course if you want to see your scores drop!

2025 SGAA CANDIDATES FOR OFFICE

FOR THE OFFICE OF PRESIDENT

MIKE NOBLES – I have been nominated to serve as SGAA President for 2025. I've been a member since April 2023 and I have proudly served as SGAA Vice President in 2024. I also serve as a member of the Tuesday table. I make it a point to play in as many of our local tournaments as I can because I love the game of golf and I thoroughly enjoy the fellowship with our members and guests before, during and after our rounds. I have attended each of our out-of-town tournaments since I became a member to support the efforts of those who plan and organize those events and because they are lots of fun.

Mike Nobles
Member since 2023

I grew up in a military family and lived all over the United States and abroad. I attended the United States Military Academy at West Point, NY and graduated in the last all-male class in 1979. I married my sweetheart (Jamie) a few days after graduation and we celebrated our 45th anniversary in June. We have been blessed with two amazing kids and five precious grandchildren. When I'm not golfing, I enjoy woodworking (pen turning) and watching college football and the Braves. I currently attend Church on Main in Snellville.

My work history includes five years of active duty in the US Army followed by thirty-three years with Siemens in various leadership roles in product development, sales, marketing and project management.

If chosen to be President, my primary goal will be to serve the needs of the members and help SGAA grow and thrive for many years to come. Even though I'm retired from "working life", I still have a lot of drive and determination and I promise you that I will work hard for our organization. I would greatly appreciate your vote!

FOR THE OFFICE OF VICE PRESIDENT

JJ GOLDSACK -- I'm Jim Goldsack; most of you in SGAA know me as JJ. I joined SGAA when you could only be a member in January. One day in March of that year my dad won the B group and I won the A group and that confused some of the members. Joe Roberts then change my name in the computer to JJ.

JJ Goldsack
Member since 2015

Six weeks later Joe asked if I could be his backup calculating the Handicaps. Six weeks after that Joe moved to Florida, I have been calculating the awards & handicaps ever since with Claude Rhen and then Danny Boyles as my backups.

In September of that year I replaced Jim Adams on the Thursday table, a position I left in July 2023 so I could play with my dad who had left the table earlier that year. I was a member of the Board 2021-2023.

FOR THE OFFICE OF SECRETARY

TED POGUE – I've been a member since 2007. I am a widower, and have 3 children, 6 grandchildren, 4 great grandchild; I served in the U.S. Navy 1959-1966; born in Tenn., resident of Ga. 59 yrs. Retired after 37 years with AT&T; Officer of CWA Local 3250 for 30 years; Elder of Covington Christian Church for 22 years;

Ted Pogue
Member since 2007

Table captain 3 years, Table Chairman 2 years, Vice President 2010, President 2011, Board member (2010-2024) Co-Chair for in-town scheduling committee 4 yrs., Nominating committee 2012-2024; Served on various other SGAA committees, SGAA Executive Committee 9 years, Secretary SGAA 2015-2024.

FOR THE BOARD OF DIRECTORS

JOHN CYRAN – After a 40+ year in Information Technology, I retired to a home in Loganville where I joined Summit Chase CC. When it was announced that it, like many courses, was being sold and converted to housing. I started looking for a place to play and Jim Goldsack said why not SGAA (please don't blame him for sponsoring my application in 2017). Since then, I have enjoyed some fine golf, some ^&%^% golf but always GREAT fellowship.

John Cyran
Member since 2017

I have previously served on the Board of Directors, and you may blame (or preferably praise) me for being one of the driving forces for our current registration process. Currently, I am the Webmaster for the SGAA website and the Tuesday Table captain.

Currently, I am living in Grayson, with my wife Kathy; and we have a daughter and three grandchildren living in Auburn.

I look forward to helping you, our members, in keeping the organization thriving and improve the "experience of good golf and fine fellowship"

Thanks for your support!

JIM GOLDSACK – I've been married seventy one years to my childhood sweetheart, Joan Healy. We have four children, five grandchildren and five great grandchildren.

Jim Goldsack
Member since 1991

I served with the 2nd Infantry Division, 12th Field Artillery Battalion in Korea, 1952-1953, attained rank of Sergeant. I was Honorably Discharged. I graduated from Georgia State University June 1963, with a BBA in Insurance.

I retired from the Continental Insurance Cos. in June 1990 as Vice President Commercial Underwriting, Southern Region, after serving forty-one and a half years in various management capacities. I am a member of St. Oliver Plunkett Catholic Church, and serve as a Sacristan, Eucharistic Minister and Lecture

I joined SGAA in 1991. Served as Bartender many years ago and since then held the following positions: Captain of the Thursday Table, member of the Board of Directors, Vice President and President.

My purpose of running for this office is to maintain the integrity and reputation of this fine organization.

DAVE MUELLER -- I have been a member of SGAA since 2013. I have held the offices of Vice President and President of the SGAA. I have also been a member of the Board of Directors before. I am currently working the Thursday table, as well as being a member of the out of town committee. I have also had the course booking job for a 5 year term.

Dave Mueller
Member since 2013

I am a veteran having served with the Navy as a corpsman. I have served in Vietnam with the Seabee's and USMC. I am married and we just celebrated 56 years. I look forward to serving the members of SGAA. Please cast your vote for me on the Board of Directors.

BENNY RUSSO -- I have been member os SGAA since 2018. I grew up in Birmingham, Alabama (Roll Tide), and married my high school sweetheart Judy. We have 2 girls and 5 grandkids.

Benny Russo
Member since 2018

I graduated from United Electronics trade school. I went into the army for 2 years, after which I worked in the Pentagon for Honeywell as a field engineer on main frame computers. I transferred to Atlanta around 1980, where I started playing at golf for first time. I later went to work for the Dekalb School System in the IT department for about 20 years.

We attend St Oliver Catholic church in Snellville and I belong to the Saint Vincent DePaul organization. I like country music, college football and gardening.

I took up golf because basically anyone could do it as long as you wanted to, in a group or as a single. One reason I like SGAA is you get 200+ friends on the first day you join. The best thing I've found is that everyone is so nice. I really enjoy listening to all the stories and how they got here. Love the game...

GEORGE SHINGLER -- I was born at Emory University Hospital and have lived in metro Atlanta for all but 9 years of my life. I was raised in Buckhead and graduated from North Fulton High School. After college at Davidson College, I went to the University of Georgia Law School, where one of my most notable accomplishments was meeting and marrying Lois, in 1974. We moved to Savannah after graduation from law school in 1975 and returned to Atlanta in 1977. Over our 49 years of marriage, we have produced a son and a daughter (also a lawyer), and we have been blessed with 3 grandchildren

George Shingler
Member since 2020

I worked for the Georgia Attorney General's office for 20 years, handling employment discrimination cases, then criminal investigations and finally representing the Department of Transportation in the early 1990s. I left as a Deputy Attorney General to enter private practice in 1997. 15 years later my partner and I started our own law firm, where we represented FDIC as receiver for a number of Georgia and southeastern banks that failed during the Great Recession. In 2019 I opened my own practice in Decatur. Two months later, I tripped and fell outside the DeKalb County Courthouse, suffering a traumatic brain injury and missing about 3 months of work. After that, I decided it was time to retire and work on my golf. Further motivated by the pandemic, I closed my practice in June 2020 and joined SGAA.

I have worked on the Wednesday Table for 3 years, attended as many out-of-town events as vacations and health issues permitted, and my golf game has definitely improved. I have enjoyed playing golf at least twice a week and getting to know the many fine golfers who are also members of SGAA.

STEVE YOUNG -- I was born September 1, 1953 in Pittsburgh Pennsylvania, the 3rd of what would become a family of 5 children. I received my Bachelor's degree from Penn State in 1975, moved to Atlanta for a job in 1976, and like a damn Yankee, never left. I earned an MBA at night at Georgia State University in 1980.

I spent my career in the Telecom Industry in B2B Sales and Marketing, primarily with MCI. I retired from Verizon in 2009. I then joined the faculty at Georgia State, teaching Sales and Marketing to undergrads and MBA's, and serving as Coach of the Sales Team, before completely retiring in 2018.

I have been married to my wife, Betsy, for 42 years and we have 2 adult children, both in Atlanta. We live in the Ansley Park neighborhood in Midtown.

Besides golf, I enjoy cycling, yoga, reading and traveling. I am still an avid Steeler and Nittany Lion fan, traveling up north each Fall for football games. I volunteer one day per week at the Red Cross, delivering blood products to Hospitals. I am also a regular platelet donor.

I've enjoyed my short time as a member of SGAA, and look forward to meeting and playing golf with more of you!

These gentlemen comprise the official list of candidates for the 2024 Senior Golfers Association of Atlanta election and are the only names on the ballot.

The By-Laws, Article IV, Section C paragraph 4; specifically states:

" All names for nominees must be submitted by September 15. Any member desiring to run for office after that date must participate as a write-in candidate. (R15)"
