It's hard to believe that the 2025 SGAA season will be coming to a close in just a few short weeks. Before long, we'll be teeing off at 10:00 a.m., bundled up in multiple layers, and watching the grass turn dormant as our handicaps start to creep upward. As another successful season winds down, I'm already looking forward to the warm weather, plush fairways, and smooth greens of spring — and to another great year of golf and fellowship with all of you.

I think I can confidently say that everyone who attended the Member-Guest Tournament in Gulf Shores had a fantastic time. We kicked things off Sunday evening with a dessert social featuring some delicious homemade treats and great fellowship among members, wives, and guests.

Although the area hadn't seen rain for more than a month, Mother Nature made up for it with intermittent downpours on Sunday and Monday. We managed to play a few holes at Cypress Bend on Monday before the course became too saturated, but spirits stayed high — and we ultimately received a full refund for that round. That evening, we enjoyed an amazing dinner at the picturesque Cobalt Restaurant overlooking the water.

The weather turned around for our rounds at Peninsula and Cotton Creek on Tuesday and Wednesday, where the courses were dry and in excellent condition. Bruce Campbell emerged as the leading money winner for the tournament, capturing both the Two-Man and Individual A-Flight championships.

Perhaps the best part of the week was the camaraderie and friendships formed — especially among the wives, who shared breakfast and enjoyed several fun outings while the men were golfing. My wife made several new friends, and they're already planning a crafter's outing when we gather at Little Ocmulgee next year.

I encourage each of you to save your pennies and consider signing up for next year's Member-Guest. It's more than just a golf outing — it's an adventure!

I also hope you all plan to attend the Year-End Banquet at Honey Creek on November 13. This special event is a wonderful opportunity to reconnect with fellow members and visit with some of our longtime friends who no longer play but helped build the strong organization we enjoy today.

After lunch, we'll announce the results of the officer and director elections, recognize our Club Champion and flight winners from the annual tournament, and celebrate the contributions of our Volunteer of the Year. We'll wrap up the day with the always-popular SGAA raffle.

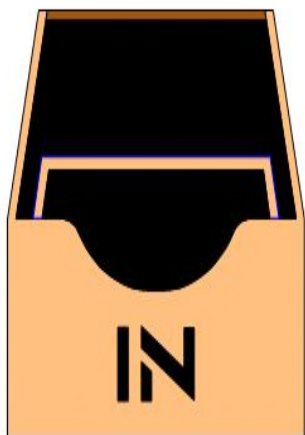

Join us for a great afternoon of fun, fellowship, and celebration!

SGAA Membership Update: NOVEMBER 2025

Membership Overview

As of November 2025, the SGAA proudly counts 229 active members. This month, we welcomed one new member to our group. Remarkably, for the first time in several years, our membership growth has outpaced member losses from the previous year. This positive trend is a testament to the dedication and effort of our members, who continue to invite friends and neighbors to join. Please keep encouraging others to become part of our organization and help us maintain this momentum.

Membership Application Process

When inviting potential new members, please ensure that the application forms are completed fully and legibly. Applications missing required information cannot be processed, so your attention to detail is essential. By assisting with thorough and accurate forms, you help maintain an effective and efficient membership process. Thank you for your continued support and diligence in this matter.

Board Suggestions

If you have suggestions that could assist the board or enhance the enjoyment of SGAA activities, please feel free to share your ideas with me or any other board member. While not every suggestion may be implemented, each one will be discussed at the next board meeting. Your input is valued and contributes to the ongoing enhancement of our group.

In Memoriam

We honor and remember five members who passed away in 2025: Lamar Frazier in February, Lyman Thompson in June, and Danny Harris in August. Additionally, we remember two previous members, Phil Biggers in June and Gene Kane in August. Their presence and contributions to SGAA will be deeply missed by all.

Contact Information Updates

If you change your address, phone number, or email, please notify me at tandgpogue@att.net. Keeping your contact information current ensures you receive timely updates about SGAA news and events.

The opinions expressed on this page are purely the Editor's and may or may not coincide with those of the Board of Directors.

Rambling from Tee to Green

Here it is the beginning of November, and we have completed 83% of our season. We've had 110 scheduled in-town tournaments; 2 out of town tournaments; and the Member-Guest in Gulf Shores, AL.

We're all very familiar with our in-town tournaments; those are the ones we play around the metro Atlanta area on a weekly basis.

The two out of town tournaments, normally held at Little Ocmulgee State Park in Helena, Georgia in April and the Smoky Mountain trip to Whittier, North Carolina. in June are excursions that place as much emphasis on the "fine fellowship" aspect as on the "good golf".

While all of our tournaments are open to guests; it is the Member-Guest held in early October that is the crown jewel of our out of town tournaments and is specifically designed to have our spouses, significant others, and friends in attendance. Special events are planned for our non-golfing guests. The Member-Guest is always a fun time because it is designed to include our wives and significant others and to show them how much we appreciate their support as we play golf every week month after month.

This year's Member-Guest was no exception. Instead of the usually scheduled Monday activity for the non-golfing guests, Jamie Nobles (Mike's wife) outdid herself and had activities scheduled for the non-golfing guests for all three days. Unlike the golfers who got caught in what seemed like a monsoon on Monday; the non-golfers had a backup plan and had a great time. The Monday evening dinner was a resounding success in spite on one Past President (who will remain nameless, Larry) forgot the dinner was Monday and arrived more than fashionably late.

Tuesday and Wednesday provided Chamber of Commerce weather with clear skies and warm temps which meant we had some good golf on what seemed like pro-length courses that Mike claims were only 5200 yards. Meanwhile the non-golfers took an excursion to sample the offerings in Fairhope, AL.

Mike and Jamie are to be commended on an exceptional Member-Guest. It's always a good time when we go to the beach and this year was no exception. Apparently the non-golfers had such a good time that they're talking about a "crafter's event" during the Little Ocmulgee trip next year.

Yes, the Member-Guest can be a costly event, but consider this when deciding whether to attend or not:

- It doesn't happen every month – it's a once a year event.
- 3 rounds of golf on great courses are part of the package.
- 2 dinners are part of the package price.
- The package includes 3 nights stay.
- An opportunity to show your appreciation for the support you receive.
- Loads of fun and fine fellowship abound.

Mark Rapier

Mark Rapier

Member since 2025

Mark Rapier and his wife, Barb, moved to Georgia in July. Their daughter, Jenn, lives in Decatur. They decided to be a part of their two grandchildren's lives rather than visitors.

They are currently leasing a home in Grayson. When you ride with Mark, expect him to ask you about where you live and what you like about it. One or two years of leasing gives Mark and Barb time to decide exactly where they want to live.

Mark's career was spent in IT Managed Services, consulting, and mergers, acquisitions, and integrations. He has worked for some of the largest consulting firms, including EDS, HP, Cognizant, NTT Data Services, and PwC. Throughout his career, Mark worked with hundreds of companies across dozens of industries. Some of his clients were GM, Ford, Kaiser Permanente, BNYM, Maersk, and UT Health Science Center – Houston.

Mark worked with thousands of leaders and had the good fortune to travel to all parts of the world. He recently published *The Leader With A Thousand Faces* to share his experience-based views on what it takes to be an effective leader.

Mark introduces himself as semi-retired and is always looking for short-term or part-time contracts. He works with IT leadership teams to design their digital futures and coach/mentor their teams, enabling them to deliver meaningful results for their companies. Semi-retirement is also a time to pay it forward. Mark provides pro bono coaching service for ACP. ACP supports service members who are transitioning to the civilian workforce. He helps veterans understand how to translate their military experience to the corporate world.

Mark is an avid and well below-average golfer. His work career required extensive travel, and he averaged 3 to 5 rounds a year. He is diligently working to improve his game.

Mark is a graduate of The University of Texas and expects SEC trash talk.

In Memory

Lest we forget, this golf we play is just a game. A game we enjoy as often as we can. These members passed away this year and no longer have that opportunity let us not forget them. Let us offer this golfer's prayer...

"For all the times I have swung a club, for the many friends and the game I love, for the patience I have found in sand or rough, for the excitement of making the shots though tough; for success is not measured by holes in one; but by the times that are shared when having fun.

Lord would you grant me one last request; to play You a round of the game I love best."

2026 SGAA CANDIDATES FOR OFFICE

FOR THE OFFICE OF PRESIDENT

JJ GOLDSACK -- I'm Jim Goldsack; most of you in SGAA know me as JJ. I have been a member since 2016 when you could only be a member in January. One day in March of that year my dad won the B group and I won the A group and that confused some of the members. Joe Roberts then changed my name in the computer to JJ.

JJ Goldsack
Member since 2016

Six weeks later Joe asked if I could be his backup calculating the Handicaps. Six weeks after that Joe moved to Florida, I have been calculating the awards & handicaps ever since with Claude Rhen and then Danny Boyles as my backups.

In September of that year I replaced Jim Adams on the Thursday table, a position I left in July 2023 so I could play with my dad who had left the table earlier that year. I was a member of the Board 2021-2023.

Currently I calculate the handicaps and Awards, as well as serving as vice president of SGAA.

FOR THE OFFICE OF VICE PRESIDENT

DAVE MUELLER -- I am once again running for the office of Vice President of SGAA.

Dave Mueller
Member since 2013

I joined the SGAA in 2013, after retiring from 27yrs at Georgia Power. I have held the office of Vice President in 2021. I was President of the SGAA in 2022. I have been a member of the Board of Directors for several years. I am also working the Tuesday table and am on the Out of Town Committee. I was in charge of booking the courses we play for five years.

I have two grown kids, and have been married for 57 years. I was a Corpsman in the Navy, serving with the Sea Bees, and Marines in Vietnam.

I am active member for of the VFW, Am-Vets and a member of the American Legion.

I thank you for your vote.

FOR THE OFFICE OF TREASURER

TOM VARDASE – After approximately eight years as the SGAA Treasurer, all I can say is, “the check is in the mail.”

I came south in '75 to work in minor league baseball for the Jacksonville Suns – a privately owned club affiliated with the KC Royals. I left after two seasons and in 1980, I got the opportunity to begin a career in broadcast television production for a new independent station. Came to Atlanta in '84 as the Production Manager for WATL, Channel 36, an independent station as well – you may have passed by the station on Ponce de Leon Avenue (an old bank building). In '88, I began to work for myself, incorporated as MVP Inc. In '92, we began working under contract with Georgia Public TV producing Prep Sports +, a high school sports and academics program. When it was all said and done, we completed 405 original half-hour programs as well as approximately 400 live high school football and boys & girls state basketball championship games.

FOR THE BOARD OF DIRECTORS

JIM BEGNAUD – I joined the SGAA in 2016 and for the past three years have served on the Wednesday Table. I am a past member of the Board of Directors and the Membership Committee. A CPA by profession I worked in Public Accounting and Financial Management throughout my career, including positions with KPMG, Tenet Healthcare, Pony Express and Hays Financial Consulting.

Jim Begnaud
Member since 2016

I hail from Texas, graduated from Lamar University and served with the US Army in South Korea. My wife Patty, a retired RN, and I have lived in Tucker for forty-six years and have two children and four grandchildren. I look forward to helping guide our organization into the future.

LARRY FAUCONNET -- Larry has been an active member of the SGAA for over ten years. During that time he's served the SGAA in a number of roles to include: BOD, VP, President, Table Chair, Monday Table Captain, Chairman of the In-town tournament committee, and Chairman of the out-of-town tournament committee. During his various tenures he's actively worked alongside and assisted all of the current and recent past leadership teams towards keeping the SGAA a growing, fun, and fair organization.

Larry Fauconnet
Member since 2015

Larry is a retired LTC from the Army's Intelligence corps – a 28-year veteran (roughly split between active and reserve time) with several combat deployments. Most of his time was spent in various combat units, with a little “strategic” time mixed in. In his civilian life he worked on the strategy team of BellSouth and then AT&T's Advertising & Publishing unit.

He and his wife remain quite active in the crazy dog-rescue world and have facilitated the rescue and rehoming of over 1,000 dogs over the past decade – some coming from as far away as California and being sent to new homes as far away as Corsica. In addition to golf, Larry enjoys spending time at his family's fishing cabin on Lake Ontario – among other things.

JEFF HILL -- I'm honored to be considered for a seat on the Board of Directors of the Senior Golf Association of Atlanta. Golf has been more than a sport to me—it's been a source of friendship, purpose, and joy throughout my life, especially in my senior years. I'm eager to give back to the community that has given me so much.

Jeff Hill
Member since 2024

Over the years, I've had the privilege of organizing and leading senior “dog fight” groups at Hard Labor Creek and Lane Creek. These gatherings weren't just about competition; they were about building camaraderie, fostering fairness, and creating a space where everyone felt welcome. I've always believed that good record keeping, clear communication, and a cheerful spirit go a long way in making golf more enjoyable for everyone.

I've also been involved in events like the Hero Golf Tour, which allowed me to combine my love for the game with my support for veterans and charitable causes. Whether I'm helping plan trips for senior golfers or simply showing up to play with integrity and sportsmanship, I try to bring both fun and fairness to everything I do.

I want to serve on this board because I care deeply about the future of senior golf in Atlanta. I believe our association can continue to grow in ways that honor tradition while welcoming new ideas. I'd be proud to contribute my experience, my energy, and my heart to that mission.

Thank you for considering me.

Continued on next page

HARRY MATTHEWS --I moved to Georgia in 1955. After High School I went back to Wisconsin for College. I drove a beer truck for a year and then got a job with Allis Chalmers. That was the beginning of a 40+ years of working in Corporate America manufacturing. I was involved in 7 major new plant start- ups or expansions in my early years and retired as Plant Manager at a printing plant for Weyerhaeuser and International Paper that I started 26 years earlier.

Harry Matthews
Member since 2014

Donna and I have been married for 39 years we have 3 children and 4 granddaughters. We have lived in the Tucker Stone Mountain area since the late 80's.

After retiring in 2013, I joined the SGAA in 2014. Since that time my golf game has gone to Hell but the enjoyment I get out of it has more than doubled. I am currently responsible for the Par 3 Tournaments and host the 2 annual banquets. I wondered could I do more. When Mike Noble announced they were doubling the salary for the Board members I couldn't resist.

I would love to be your new Board member and I will do my best to see you enjoy GOLF whatever level you play.

JEFF McKENNA – Golf plays a key role in my family history. My dad's dad, Earl McKenna, built his own golf clubs. My dad's brother-in-law, Bill Junker, co-founded Golf Pride. My dad, also named Bill, owned a banged-up set of Northwestern clubs that he would let me borrow as a kid for our backyard golf rounds in Indianapolis – aiming at targets like clothesline poles, rose bushes, birdbaths, and basketball goals. I never got any golf lessons, never played on a school team, and never signed an honest 18-hole scorecard until I joined SGAA 3 years ago. But I inherited a smidgen of my dad's skill and all of his passion for the game.

Jeff McKenna
Member since 2022

I met and married my wife Christine in 1979 in the Washington, DC, area, where we were both working at the National Institutes of Health – she as a full-time secretary and I as a science-writing intern as part of my master's program in journalism at the University of Tennessee. I had enrolled at UT a couple years after receiving my degree in environmental science from Purdue. (Go Vols and Boilermakers!)

My three daughters were born in Maryland before we all moved to Atlanta (Duluth) in 1992 when I took a job at CDC, where I managed press relations and communication campaigns for chronic disease issues like preventing smoking and promoting nutrition and physical activity. I was blessed to be able to retire at the end of 2015.

I enjoy woodworking and home repair, so I spent most of my early retirement life fixing up my house. Finally neighbor Ward Humphreys talked me into getting off my ladder and picking up my golf clubs for an SGAA guest round at Chimneys. Now I divide my time among spoiling our three young grandkids, nursing my rickety joints, and hitting countless Titleists out of bounds.

I look forward to joining y'all for many more years of good golf and fine fellowship!

KERRY PHILLIPS -- Hello my name is Kerry Phillips and I am running for the Board of Directors. I have been in SGAA for 9 years.

Kerry Phillips
Member since 2016

I attended college in Cookeville, Tennessee majoring in Health and Physical Education. I taught and coached for 40 years.

I am from Griffin, GA. and my wife, Marilyn, and I have been married 18 years. I love golfing and fishing.

If elected I would like to help SGAA continue to be a great golfing organization.

STEVE YOUNG -- I became a member of SGAA in March of 2024 and have enjoyed the fellowship and the golf ever since. Understanding that it takes volunteers to make SGAA operate, I began working the Thursday Table in 2025 and have appreciated getting to know the members as well as some of what it takes to run the organization.

Steve Young
Member since 2024

We wouldn't be able to enjoy the fruits of SGAA without the many volunteers that make it all happen, so when nominated for the Board I felt the responsibility to step up and accept the nomination.

I spent my career in the Telecom industry, retiring from Verizon in 2009 as a Senior Vice President. I then taught in the Business School at Georgia State University for 8 years. My wife of 43 years, Betsy, and I have two adult children, both living in Atlanta, and we welcomed our first grandchild in April 2025.

If elected, I pledge to do my best to serve the members of SGAA with integrity and to help the organization prosper and grow.

These gentlemen comprise the official list of candidates for the 2025 Senior Golfers Association of Atlanta election and are the only names on the ballot.

The By-Laws, Article IV, Section C paragraph 4; specifically states:

" All names for nominees must be submitted by September 15. Any member desiring to run for office after that date must participate as a write-in candidate. (R15)"

BALLOTS and VOTING
