

ANNOUNCING

DEVELOPMENTAL SCREENINGS

FOR ALL NC PRE-K APPLICANTS

At Smart Start Rowan, we are committed to ensuring every child has the opportunity to grow and thrive. In the coming months, we will be reaching out to families to schedule developmental screenings for their children before the School Year begins.

These screenings help identify developmental delays and connect children with the support and services they need to succeed.

McKnight CDC will be contacting families directly to arrange screening appointments.

Thanks to the following community partners who made this possible.

The Rowan County
Local Interagency Coordinating Council
(LICC)
