A little about us: At Granite Quarry Elementary NC Pre-K, we are committed to establishing a foundation of early education that focuses on kindergarten preparedness, social and emotional sophistication, and mastery of fine and gross motor skills. Our students participate in play-based lessons and practice collaborative problem-solving skills daily. Granite Quarry Elementary holds the honor of and has a continued commitment to providing a high-quality educational experience that continues to meet all program requirements. Our NC Pre-K program is designed to promote independent discovery and small group interactions, while at the same time, create a positive, loving, cooperative learning environment that meets the individual needs of each child.
