A little about us: South Rowan Academy has provided high quality preschool education for 40+ years. We work hard to meet the needs of our Pre-K families, and we strive to keep families involved in our classrooms. We offer before and after school for children whose caregivers are in need. We have been honored to have families request us year after year and enroll multiple children in our NC Pre-K program. We know that providing quality preschool education is vitally important for facilitating a successful academic career. We would be honored to provide care for your child next year.

A little about us: Westside Head Start/Early Head Start promotes the school readiness of children by enhancing their cognitive, physical, and social and emotional development through various indoor and outdoor activities. The activities support the children’s growth in many areas such as language and literacy, math and science, art, and social and emotional development. Our program provides an atmosphere where active supervision and parent involvement are stepping stones. We emphasize the role of the parents as their child’s first and most important teacher, therefore we operate to serve our families as a whole with programs that help build relationships with families and the community, support family well-being, and many other important areas.
