A NEW WAY

ADOLSCENT SKILL DEVELOPMENT PROGRAM

A New Way operates in a closed group format. A closed group functions with the members enrolled and present at the beginning of the course with no admittance of new participants after the first class. This provides less distraction and retracing our steps bringing new participants up to speed with the rest of the group. This allows for group cohesion and development of trust among group members and fosters the willingness of members to openly participate in group activities.

This class takes place three (3) days a week on Monday, Wednesday, and Friday. Dates and times may be adjusted due to under-enrollment or to accommodate holidays.

There is no application fee. However, because of the format of this program tuition is contractual upon acceptance.

The fee for the program is \$1050. This equates to \$35 per class for the 30-class / 10-week format. For this option payments may be made at check in at the front office prior to each class.

A discount of \$150 is offered for full prepayment reducing the total for prepayment to \$900.

Fees are payable upon acceptance and may be paid by calling The Transformation Center at (423) 499-9335, or at the time of check in prior to the first class.

Attendance is mandatory for the duration of the 10-week program. Upon a third absence participants will be dismissed from the program. In the event of documented medical or family emergencies, participants may be transferred into a class beginning at a later date. Transfer fees may apply.

Fees and tuition for this program are non-refundable.
