

Single Molecule Imaging Workshop

September 12th 2023

Department of Biochemistry
South Parks Road

Confirmed speakers

Susan Cox
King's College London

Rebecca Saleeb
University of Edinburgh

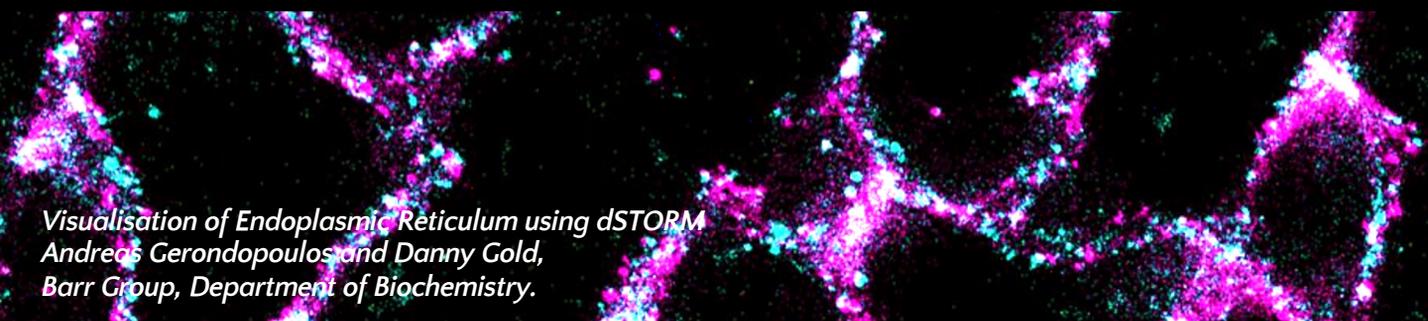

Jingyu Wang
University of Oxford

Kazuhiro Maeshima
National Institute of Genetics Japan

Daniel Nieves
University of Birmingham

Workshops

Multi-colour single molecule localisation
Multi-colour single molecule tracking
Tips & tricks for single molecule imaging

*Visualisation of Endoplasmic Reticulum using dSTORM
Andreas Gerondopoulos and Danny Gold,
Barr Group, Department of Biochemistry.*
