Our detailed and intense training will give you cutting edge techniques as well as a comprehensive knowledge of all that pertains to applying eyelash extensions safely and beautifully.

Our training course focuses on intense hands on practice. We demand excellence in the quality of work produced, this is why our certification is worth it! We prepare you to take clients by the time you complete our curriculum. Over the course of our lash training we will dedicate time to focus on the topics necessary to succeed in this growing industry.

We are committed to excellence. Therefore, learning doesn't stop once training is over. Our instructors will check in to monitor your progress and answer any questions you have along the way. You'll have the opportunity to become an Enhanced Beauty Certified Lash Technician upon successfully meeting our standards.

COURSE OVERVIEW:

- Overview of eyelash extensions
- Natural eyelash growth and anatomy
- Products for use of application
- Health & safety

COURSE MATERIALS

Lash kits come with enough materials for approx 50 applications. Kits include everything you need to get started, from a selection of extensions, eye pads, tweezers, professional grade adhesive, lash brushes and more!

PRACTICE MODELS

In person trainees are responsible for providing their models required for the training. Please notify us ASAP if you are having difficulty finding a model.

.For students doing virtual instruction only:

After completing the VIRTUAL Lash Training course, in order to fulfill your certification requirements, you will be required to successfully complete and provide photos for 5 full set applications that meet our standards.

CERTIFICATION

After successfully completing the practice portion of your training, or submit your photos, you will receive an Enhanced Beauty by Design Certificate with an official seal indicating that you were trained and certified in Classic Eyelash Extensions.
