*Instructing a Child's Heart*, helps parents give instruction to their children that will persuade them of God's wisdom. Instead of focusing solely on behavior issues, the authors look at the heart of your child. Point your child toward the happiness they will find from doing things God's way!

There will be a meeting, in the youth room, after today's morning service for all those who volunteered to help at the car show.

On Veterans Day we would like to have a tribute to veterans of your immediate family. Please email a picture along with the name of a spouse, grandparent, parent, or child of your family who served in the United States military to Pastor Andy or the church by October 23rd.
