

## Parents/Guardians of AWANA Sparks:

We are excited to work with you and your child. For this year, Sparks are in the “Sky Stormer” book. And, starting this year, our club will primarily focus on the ESV version of the Bible. If students learn with a different version, just let us know and we’ll honor that version. This year, some verses are longer. We expect most Sparks to be able to memorize the first 3-4 lines for 1 point. If the verses are longer, it’s an option to recite the longer verse for 2 points. Additionally, we offer points for review verses and extra verses. Along with that, most of the older Sparks have learned the books of the Bible. We review those books of the Bible in 3 parts for the Old Testament and 2 parts for the New Testament, about 13-14 books per section.

If you as parents have the opportunity, it’s a great help if you prepare your child for the lesson. See the sections below for our schedule. Additional audio and songs may be found at <https://awana.org/sparksdownloads> or on our website at <https://norwalkcalvarybaptist.org/awana>.

If children finish their book, they are awarded a “Medal of Excellence.” We’d like all children to earn that award.

Because of the grade levels in Sparks, we assume that many children have not been taught to read yet. In small groups of 2 or 3 children with the adult leader, the leader will go over the book text. If a child is older and accomplished in reading and willing, we will have them read portions.

We plan to have all children complete their books. If the child is absent, if you can read them the section, then to get their points for that section they simply tell their leader about the story in that section and recite the verse.

Children can earn a read or green “jewel” after completing 4 sections. They’ll earn a special blue or yellow “jewel” on their “wing” on their end-of-year certificate by completing the introduction and participating in the 3 special events held on Sunday evenings.

We will emphasize using their Bibles. We’d like to help the students underline in pencil their memory verses.

Additionally, Sparks will take time to learn about Jesus’ disciples and their mission.

Please let us know if there are any issues of which we need to be aware. Thank you for your continued support.
