## **OUR EXPERIENCE**

Again, with over 20-years operating in a variety of areas within the higher education realm, a great deal of experience was obtained. For example, invaluable information was gained in a myriad of areas as a result of professional placements. What is more, these areas include Legal Affairs, Housing, Residence Life, Judicial Affairs, Student Support Services, Academic Advising, Public Relations, Sorority & Fraternity Life, and Educational Leadership.

## **OUR APPROACH**

Our approach is centered around YOU and YOUR goals. So, we offer individualized, goal-focused planning to ensure that you're an active part of the process.

## **WHY US?**

Besides having over 20 plus years of experience, our results speak loud and clear as again, 100% of our clients have been accepted into a college or university. However, don't take our word for it...our clients' success stories are a testament to our dedication and proficiency. Additionally, we provide realistic timelines and have flexible meeting hours. Finally, we offer packages and rates for all budgets based on your primary needs.
