

Dear Business Owner or Private Party:

We are YOUR local Veteran Hockey Team

Each team member serves or served in our country's military. The Generals gives veterans a safe environment to relieve stress, promote camaraderie, and provides opportunities for veterans to engage with our community.

OUR MISSION: With common values of honor, courage, and commitment; the Johnstown Generals provide an outlet to active duty and military veterans through hockey and fellowship for mental and physical health while being committed to community outreach and awareness of military veteran issues.

We ask you or your business for assistance to defray costs associated with practice, equipment, tournaments, and administration. *All funds go directly towards providing veterans an environment of acceptance, engagement, and community outreach. All donations are tax deductible through Patriot Hills of New York Ligonier branch. 501(C)(3) Not for Profit - Tax ID# 26-3979199.*
