

## We Remember Dwane Caldwell and his San Leon Marine Corps Birthday Party

**D**wane Caldwell established the San Leon Veteran's Day and United States Marine Corps Birthday Celebration which raised over \$50,000 over the last seven years for the Semper Fi Fund and Fisher House. Dwane also established "The San Leon House," which provided free short-term lodging to victims of fire and crime, for all the good citizens of San Leon.

The setting is at the ORIGINAL Buccaneer Bar located at 100 6th Street in San Leon in 2007, now the parking lot of Pier 6. At the Buccaneer, before the event, a lot is happening and the volunteers are working hard. Harbor Master Randy Devlin is taking beer from the shed so the ladies Cricket Burnaman and Lauren Abbitt Thornton can get the bar stocked. It is Free BEER! Rabbit was sweeping the peanut shells from the night before, New York Jim and Blondie (his faithful dog) were sitting at a table. Jim was having a red beer trying to shake off a hangover. Cool Billy Newman was setting up his karaoke machine so they had a PA system for the auction.

Kelly Abbitt and his brother Randy show up to see how they could help. Kelly sent Randy to set up the food table, and Kelly passed out cigars and tequila shots. Kelly always said "Work smarter not harder."

Joe Manchaca who was running around like crazy trying to set up extra tables and chairs with the # 7 paddle in his back pocket (for the auction) he had a large tent ready to go if needed.

Ben Kagay, who lived on a sailboat in the marina, showed up to see what he could do to help. The Harbor Master Randy sent him across the street to Terry Traugott's to see how the BBQ was coming along. Ben got across the street at Terry's and Dancin Jack, Bobby Jones and Rickey Douglas had been up all night drinking and grilling. The food was ready and Ben walked back across the street and Keith Heinze helped him by loading all that food on a golf cart and still had to make several trips.

Dear Steve and Jabbo Adams showed up to claim their table and set up to pick and grin. They did that all over town, they were the best of friends. Harley later showed up to play his guitar with Jabbo and Dear Steve.

All the FREE BEER is stocked and all the FREE BBQ was set up and ready to go for The Marine Corps Birthday Party.

As you walk into the ORIGINAL Buccaneer Bar some of the bar stools were swings, which were later removed due to injuries. We watched a lady stitch another lady's head with her hair. Crazy times!

It is now noon and the festivities begin!

John Alford is pulling up on his little boat, Agent Orange. James is walking up the dock. He is not going to miss out on free beer and food. Captain Sandy is pulling up in her boat showing off her morning catch.

As you walk in the bar you can see Sonny & Johnny Wimberly (aka Spider - won a wet t-shirt contest at 70 yrs old) sitting at a table next to Buddy that drove the blue convertible BMW. As you look across the bar you would see Gene Rogers, Johnny Smith eating peanuts and of course Pickle, who had the best garden in San Leon.

This was a small community pulling together to make a difference for a Marine and their family's life. Dwane Caldwell was a man's-man. Dwane would hunt, fish and damn well take you to Costa Rica for some fishing and fun under the sun.

All the people that are mentioned in this story are no longer with us, but they played a big role in the original San Leon Marine Corps Birthday Party.

They showed all of heaven how we threw a Marine Corps Birthday Party in San Leon.

## Texas House and Senate Sign Off on Border Security Legislation, Senate Bill 3

(Austin, TX) State Representative *Terri Leo Wilson* is pleased to announce the successful passage of Senate Bill 3 (SB 3) in both the Texas House and Senate. As a proud supporter and co-sponsor of the legislation, Rep. Wilson voted in favor of SB 3, which will now proceed to the governor's desk for the final signature before becoming law.

SB 3, a crucial piece of legislation, proposes to allocate \$1.54 billion in general revenue to the Truist Programs within the Office of the Governor for border security operations and the construction, operation, and maintenance of border barrier infrastructure. The bill specifically designates \$40 million of this amount to be transferred to the Department of Public Safety for border security operations, including overtime expenses and costs related to the increased law enforcement presence in the Colony Ridge development in Liberty County.

The funds allocated by SB 3 are intended for use over a two-year period, starting from the effective date of the bill. However, SB 3 includes safeguards to ensure responsible use, stipulating that the money cannot be used for property acquisition through eminent domain, building barriers on the Texas-Mexico border on property acquired through eminent domain, or acquiring property for or building a barrier that abuts the boundary between Texas and another state.

The primary objective of SB 3 is to deter and reduce illegal migration into Texas from Mexico by providing additional funds for the construction of a border wall and other barrier infrastructure. With the escalating crisis of illegal immigration and federal inaction in enforcing immigration laws, the state of Texas recognizes the need to protect its citizens from the negative effects of an insecure border. "Building additional barriers at the border is a strategic measure to prevent the entry of deadly drugs such as fentanyl into the United States, protect land owners from theft and property damage due to illegal migration, and reduce human trafficking and cartel-related crimes," stated Rep. Leo Wilson. "The strategic placement of border walls aims to deter illegal immigrants from attempting dangerous crossings and directs them to legal ports of entry, ultimately saving law enforcement resources and enhancing border security."

In addition to supporting the construction of border infrastructure, SB 3 allocates funds to the Department of Public Safety for border operations, specifically addressing overtime expenses for state troopers. This includes assistance to law enforcement at the Colony Ridge development, where rapid growth has strained local resources. The bill grants DPS broad discretion to direct additional funds towards alternative border-related expenses and does not preclude cooperation or agreements with local law enforcement.

Lastly, SB 3 addresses the impact on livestock and agricultural property, safeguarding them from damage caused by trespassing illegal immigrants.

# LETTERS TO THE EDITOR

Dear Editor,

What is this Nextdoor app all about? I thought it was for neighbors to connect with neighbors and warn neighbors about bad things going on in the community. I am about done with that app. Lately all I see is posts from a select few. I went on the app because my neighbor's dog got out and I thought I would check there to see if someone found it. After going through pics of some bull crap that had nothing to do with my neighborhood and posts of someone being nasty to another, I finally found a post that someone did find my neighbor's dog. They are reunited! There is a person that thinks we want to see their pics from the 90's, ...Ummm no!

- Dav in SSL

Dear Dav in SSL,

I agree, some people use that platform for their private social media. Some people report people for stupid stuff. If you are having a problem with someone, leave it off of Nextdoor. Let us use it for what it was intended for.

Dear Editor,

Why do we write a list of things we want for Christmas? Isn't the idea to give a person a gift that shows you took time to choose a special gift that you feel they would want or need? Something you put a lot of time and energy into?

It upsets me to see everyone exchanging gifts that they themselves have chosen, and try to act surprised. So, how 'bout we cut out all those lists and just go buy some crap we want and let the other guy do the same. Think of all the "returns and exchanges" that would be saved.

- Bah Humbug

Dear Bah Humbug!

*Giving a gift to someone also makes YOU feel good. But with a list to draw from it is more likely that you will chose something they actually like. On the other hand, I like money. So feel free to include a check in your next letter, but be sure it is enough to make you feel really, really good about it.*

## Texas Pride Collection

As we head into the holidays, now is as good a time as any to revisit the guidelines for pickup with Texas Pride. While Texas Pride provides recycling and trash bins to each residential property, you can also place additional waste in trash bags or personal containers so long as they are specifically built to be used as trash cans. You may use personal containers for recycling as well, just be sure they are clearly labeled (free labels available at the District's office). Drums or barrels are not allowed and may be disposed of. Two large items are allowed per pickup day; anything beyond that will need to be coordinated as a special pickup directly with Texas Pride. Be sure to have your bins out early as pickup can start as soon as 6 AM!

San Leon Don's  
**FISHING TIPS**  
Don is on a first name basis with most of the local fish...

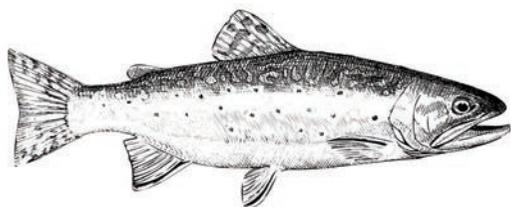

Well, some fishermen believe after Thanksgiving it's a good time to fish. I was talking to my friend Paul Bartholomy he said some of his fishing buddies have been fishing up the Houston Ship channel in lakes around Baytown and catching some real nice legal trout, it might be worth a try if you are familiar with the area.

There are windows of the weather that can produce a variety of fish in the flats around the old oil wells in the middle East Bay but the water clarity has to be right. Be sure to keep up with the tides and try to be there on the outgoing tide.

This time of year is also a good time to fish the inside of Moses Lake and on the outside of the flood gate. I know redfish are usually biting inside Moses Lake, trolling the shoreline and casting close to shore.

Till next time, Tight Lines to you and don't forget to take a kid fishing.

San Leon Don Tight lines everyone!

Dear Robbie,

I am not married but I am surrounded by women, not the kind of women you are thinking but my Mom, 2 sisters, 3 aunts and a sister in-law. Let's face it they give a guy crappy advice when it comes to man stuff.

The problem I have a guy at work that is always coming in bragging about how he was out the night before drinking and taking women home. He is always hungover and does a piss poor job at work.

I have to always hear about weekends and Wednesday nights out womanizing. On Thursdays he wants me to loan him \$40.00 so he has money to make it "1 day till his check hits in the morning." I also have to hear about

how he has a tough time making ends meet.

I don't go out because I am saving my money to buy a house. I am tired of loaning an irresponsible man money. Robbie, how do I politely tell him no?

Hey buddy, I had that same issue years ago. Go into work on Monday and tell that piss poor co-worker that you started dating. By Wednesday he will ask you where you've been going out. Tell him "I don't go out, I stay at home." He will walk off puzzled and on Thursday he will ask for the usual \$40.00. At that point just look at him and say geez, I don't have it. I started dating when he says I thought you were staying home, Look at him, smile and say I cut out the Middleman and I just call a hooker.

## Marie Ann Sweet

Marie Sweet was born in Indiana and grew up in the Tidewater area of Virginia. She has lived in Atlanta, Georgia and Cleveland, Ohio, where her daughter Danielle was born and raised. She later found her way to the Galveston area.

She leaves behind her daughter, Kelly, her partner Ted Louis, his children, Todd, Amanda, 7 sisters, Karen, Debbie, Robin, Berta, Susan, Sancere and Wandalee.

Marie was preceded in death by her parents and daughter, Danielle. She was always in love with all things "ocean" with fishing and boating at the top of the list.

Marie loves to spend time with friends and never had enough family time, she did treasure family deeply. She loved all animals. She made us feel loved and special.

RIP Dear Sister

## Words of Encouragement for Those who Have Lost a Loved One

But the Angel said to them, "Do not be afraid; for behold, I bring you good news of joy which will be for all the people. For this day in the city of David, there has been born for you a Savior, who is Christ the Lord (the Messiah)

**Luke 2:10-11**

"Do not let your heart be troubled (Believe [confidently] in God and trust in Him, [have faith, hold on to it, keep going and] believe also in Me. In my Father's house are many dwelling places. If it were not so, I would have told you, because I am going there to prepare a place for you. And if I go prepare a place for you, I will come back again and I will take you to Myself, so that where I am you may be also. And [to the place] where I am going, you know the way.

**John 14:1-4**

S.RELLA

Jeffery Allen "Jabbo" Adams, age 63, left this earthly party for his heavenly one, November 10, 2023, from his home in Sikeston, MO. He was born on September 2, 1960, to A.C. and Doris McCanless Adams who survives of the home.

Other survivors include, his loving wife, Jerri Linda Helmes Adams of Sikeston, MO; one step-son, Tyler White and Chandre Francis of Sikeston, MO; one sister, Lauri Noles and Tim Schutter of Wheatland, IN; two nieces, Chelsie Noles and Clayton Flowers, Tessa Noles and Hunter Dillender, all of Dexter, MO; four great nieces and nephews, Leighton and Nolen Flowers, Adler and Evie Dillender; two very loved honorary nieces, Taylor and Bella Brister of Sikeston, MO and Kelcie Hoyland Zuniga, Zoe Hoyland and Steve "3" Hoyland of Texas.

He was a stranger to none, "Jabbo", was loved by all and the life of the party, whether on stage playing his mandolin or making his rounds. You couldn't miss his contagious laugh or McCanless smile. It didn't matter if you knew him five minutes or five years, he left you feeling as though you were lifelong friends, never forgetting a face or name.

He was a natural musician and could play anything by ear. He lives on through us with many cherished memories of his music, and in the words of a favorite song "The road goes on forever and the party never ends". Fond memories and expressions of sympathy may be shared at [www.nunneleefuneralchapel.com](http://www.nunneleefuneralchapel.com) for the Adams family.

# NEIGHBORHOOD BOOK BOX

## Take a Book Leave a Book

Neighborhood "Book Boxes" also called "Mini Libraries" are beginning to pop up all over Texas.

These boxes are created to hold new and used books. They can be found around neighborhoods, along sidewalks, in parks and other areas people gather. Intended to encourage reading, these boxes are available for the public to share books with each other.

These mini libraries are able to hold several books, allowing you to take a book and read. You are encouraged to leave a book for others if you can.

This particular box can be found at 2420 Bayshore Drive between 24th and 25th in front of the yellow and white house.

*A huge Thank-You to Dex-n-Dox LLC who built this box for our community!*
