## Bayside BRIEFS:

### NO CHARGES TO BE BROUGHT FOR KEMAH HOMICIDE

**GALVESTON** – A Galveston County grand jury has declined to file any charges related to the death of a man after an altercation in a Kemah parking lot on December 29, 2019. After deliberating, the grand jury issued six no-bills on November 12, 2020.

The incident involved multiple altercations in a parking lot near the Kemah Boardwalk at approximately 1 a.m. that resulted in the death of Menelaos Theofilos Skaris and the alleged assault of another female who was present. No one was arrested after the altercations. After completing a lengthy investigation, the Kemah Police Department referred the case to the Galveston County Criminal District Attorney's Office.

The District Attorney's Office presented all of the evidence to the grand jury. Felony Trial Division Chief Bill Reed stated that a death investigation often includes: videos, photographs, eyewitness testimony, witness statements, police offense reports, the autopsy report, toxicology reports, 911 recordings, and the testimony of multiple investigating detectives.

The grand jury considered four possible criminal charges against one person involved in the altercations: murder, manslaughter, criminally negligent homicide, and aggravated assault causing serious bodily injury. The grand jury also considered misdemeanor assault charges against two other persons. The grand jury declined to file any of the six charges.

## NAUGHTY & NICE LIST LEAKED

The Seabreeze News has exclusively obtained a copy of the official classified Naughty and Nice List prepared each year by Santa Claus. There were some surprising and some not so surprising disclosures in this year's record. Entries on the Naughty List include: **Devin A.** for habitual tardiness. **Mama R.** for cussing unorganized people at the bank drive-thru. **Teresa E.** for zooming around town at top speed on her Harley yelling, "REALLY MAMA?!!!" **Robbie A.** for continuously being over limit on his cat traps. **The Rubber Knife Gang** for not learning how to make Shepherd's Pie. **Bob O.** for telling Ticketmaster to kiss his Big Ass! **Jatton L.** for painting her entire house and making the rest of the San Leon Ladies look bad. **John Y.** because the rest of his family is on the nice list. **Peggy A.** for not letting **Mary Y.** work the big stage and instead giving her the spot behind the popcorn machine. **Jabbo A.** for using the word YOLO. **Sunset Lounge** for charging Santa \$20 to fish off the pier – oh, wait - that was his bar tab. Never mind. **Dear Steve** for doubting that the Seabreeze could be produced by two women. And especially everyone on the Seabreeze Police Blotter.

On the flip side, there are many, many on the Nice List. **Edwina L.** for saving Baby Squirrel during Hurricane Laura. **Nanner P., Goose G., and the Beertenders** for single-handedly keeping San Leon from going crazy during the lockdown by keeping the Sunset available and having beer TO GO. Also making the Nice List is the **San Leon MUD** for keeping it classy. **Michelle G.** for agreeing to be forever Young. **James Y.** for keeping his family safe. **Don and Joann W.** for keeping the Seabreeze News crew sugared up with treats on Seabreeze Thursday. **Stevi G.** for her willingness to help people stuck on the beach. **Terri D.** for keeping everything sparkly. **Fran S.** for putting together the best damn golf cart parades. **Raymond J.** had originally made the Nice List by helping two little old ladies across the street from Lawrence's to Wayno's, however, was bumped to the Naughty List for buying them an excessive number of cocktails that led to a bar room brawl. Luckily, there were no injuries and damages were minimal.

### SAN LEON WELCOMES PIER 6 SEAFOOD & OYSTER HOUSE

Sunny San Leon's newest restaurant is making a big splash in the food world. Located at 113 6<sup>th</sup> Street, the newly opened Pier 6 Seafood & Oyster House is serving up Gulf Coast Seafood, including the freshest fish and world-renowned Prestige Oysters. Owner Raz Halili has transformed the former Shrimp Palace into a beautiful and relaxed waterfront destination. Diners can watch large ships traveling up and down the Ship Channel as well as local shrimpers and pleasure boats cruising Galveston Bay while they enjoy a meal prepared by Executive Chef, Joe Cervantez.

Chef Cervantez has served as Executive Chef for some on the finest restaurants such as Killen's Steakhouse and Brennen's of Houston. His exquisite creations include several oyster selections including The Prestige with Parmigiano Reggiano and Herb Shallot Butter; blue crab gratin stuffed oysters; spicy garlic, Sriracha and Habanero butter. Also available are the always popular Oysters Rockefeller, Oysters Bienville, and the classic freshly shucked raw on the half shell.

The menu has unique offerings for any taste. Cold appetizers include tuna and snapper choices. Diners should also try the delicious Seafood Fondue made with Gulf Shrimp, Blue Crab, and Spinach. The entrée selections include wood grilled yellowfin tuna, grouper, snapper, crab cakes and more. If seafood isn't your style, Pier 6 offers Prime steaks that you can literally cut with a butter knife, an Akaushi beef double patty burger, and a beautiful pan roasted chicken.

The Seabreeze News has never done a restaurant review, but the quality of the food, the classy yet casual atmosphere, the friendliness of the staff, affordability, and the attention to every detail gets a 5 out of 5 stars.

## EAGLE SCOUT CANDIDATE PRESENTS BLESSING BOX

Life Scout Joseph Porter, III presented the American Legion Post 291 in San Leon with his Eagle Scout project. In order to obtain the rank of Eagle Scout, Porter, 17 years old, must plan, develop, and lead a service project - The Eagle Project - that demonstrates both leadership and a commitment to duty. Notable Eagle Scouts include at least 40 astronauts, 38<sup>th</sup> President Gerald Ford, 11 Medal of Honor recipients, and Stephen Breyer, Associate Justice of the Supreme Court. Mr. Porter's project is a Blessing Box permanently located at the American Legion. It contains non-perishable food, snacks, and personal hygiene items. As it says on the box, "Take what you need, Leave What You Can, But Above All, Be Blessed." The project is dedicated to the memory of his first mentor in Scouting, Mrs. Nareen Copeland-Holt. Great job, Joseph, and thank you!

# Letters To The Editor

Dear Editor,  
There was a golf cart parade Saturday, November 14th. I waited for them to come by my house and throw my kids some candy, but they never passed by. How does a new person in town get the golf cart parade to pass by my house for the candy?  
**Signed, Sugarless in San Leon.**

Dear Sugarless,  
In the past, golf cart parades were escorted by the fire department and went strictly to drinking establishments. A few years ago, some Karen complained and we were no longer allowed to be escorted that way. The fire truck now escorts the parade on a non-stop loop around town so that the kids can participate. After the loop is completed, the crawl begins. The Veteran’s Day parade is the exception. That route has always started at the end of 9<sup>th</sup> Street and traveled directly to the American Legion. Parade dates and routes can always be found on Golf Carters of San Leon and the San Leon Residents pages on Facebook as well as the Next Door site. The Veteran’s Day activities were posted on multiple social media sites as well as this newspaper.

Dear Editor:  
The San Leon Cemetery has been experiencing some thefts of items from gravesites. In the past two months, a flag, a handmade wooden cross, and two other mementos have been stolen. The Cemetery Committee has notified the Sheriff’s Office and they are doing more frequent checks, however, there is not a viable way to control access to visitors. The Committee has taken steps to try to be able to see who is coming and going, but the system is less than perfect. While the hope is that the vandals and thieves have moved along and will no longer be a problem, please be aware that, unfortunately, there are some low-lives that will stoop that low.  
**Signed, San Leon Cemetery Committee**

Dear Committee,  
Thank you for the heads-up. It’s a shame that we can’t even leave a remembrance for our loved one out there. Sadly, I guess you probably shouldn’t leave anything out there that, if not permanently affixed, you would be heartbroken to lose. If anyone sees any suspicious activity, please contact Galveston County Sheriff’s Office at 409-766-2300.

Dear Editor,  
I go to the Bolivar Peninsula about once a month for the beach, fresh air, the seafood, and for the ability to drive on the beach. I often see people stuck in the sand, cars, trucks, and rvs. I would like to offer a few helpful tips. When you leave the pavement or hard sand to get on the beach and are going into soft sand, gun it! Go! Go! Go! Don't slow down until you hit the hard sand again. If you do get stuck, stop spinning the tires. Just stop. Get a bucket of water and saturate the sand under and around all tires, that helps with the traction of your tires. If all that fails, get on Facebook. There is a group called Bolivar Beach Vehicle Rescue. Find a trash barrel, they are all numbered and have your barrel number so they can find you. They do not charge for this service, they are just upstanding, helpful citizens out there to help. Also look for Orange Jeep Guy or Stevi C. Gregory on Facebook, both are admins in the group.  
**Signed, Stuck Like Chuck**

Dear Stuck,  
That is some really good information. Since there are so few places where you can drive on the beach anymore, many times people just cruise on in like they’re on the superhighway. Would hate to be them if they’re stuck when the tide rolls in. Seen it many times.

Dear Editor,  
I am trying to save money to buy a car. I have tried every way I can think of to save money but just can’t seem to save enough. I stop at my local coffee shop every morning on my way to work for a Venti Iced Skinny Hazelnut Macchiato, Sugar-Free Syrup, Extra Shot, Light Ice, No Whip drink and to use the wi-fi to look for extra jobs. Do you have any tips for me?  
**Signed, Broke but Caffeinated.**

Dear Broke,  
First of all, what in the hell is a Venti Iced Skinny Hazelnut Macchiato, Sugar-Free Syrup, Extra Shot, Light Ice, No Whip? It must take half of your morning just to order it. My advice to you would be instead of walking around with scalding hot buckets of watered down coffee (if that’s what a Venti Iced Skinny Hazelnut Macchiato, Sugar-Free Syrup, Extra Shot, Light Ice, No Whip is) that you drink out of a tiny hole in a plastic lid that must cost at least \$15, buy a teapot, wake up one minute earlier than usual and have a cup of coffee at home like a normal person. Best of luck to you, sounds like you’re gonna need it.

# San Leon Don's FISHING TIPS

Don is on a first name basis with most of the local fish...

This is a good time of year to be fishing in Trinity and East Bay. Shrimp are migrating out of the flats and specks are schooling chasing the birds. Most anything you use for bait will work. Lots of reports of flounder being caught mostly in the Galveston Ship Channel and Sand Island out of the Texas City Dike area. I just had a visit with Andi at the North Jetty where fishing is really good right now. The fishermen are bring in Bull Reds, Black Tip shark and lots of flounder to show off and for table fare. It's just a short ride across the Bolivar Ferry. Give it a try or call ahead with any questions. Ask for Andi. ## DEAR STEVE 'S WIFE TRAINING TIPS FROM A GRADUATE

'Tis the night before Christmas in Sunny San Leon  
And my husband was stirring to go to the bright neon.

His buddies he called in the midst of the night,  
Hey Curtis, Hey Steve, Hey Matt and Shang, Hey Marcus, Hey Jozloz  
and Goose,  
Meet me at Gilhoolzy's, Michelle is serving, time to get loose.

Back at home with the Angels nestled in bed,  
Visions of chores danced through my head.  
Into the kitchen I went with no delay,  
I must get this turkey ready for Christmas Day!

All through the night, dishes, laundry, and the floor,  
I must have it all done before a quarter to four.  
When suddenly out the window headlights did appear,  
Who could it be? Why it is not even midnight. oh dear!

Then through the door, low and behold,  
It was Mayor Abbott with a mighty load.  
With his belly full of beer, his heart full of cheer,  
my husband was home, but not alone, his buddies were near.

I thanked the Mayor with Christmas delight  
As I opened the FlipFlop Bar and turned on the lights.  
As she drove away, I heard the Mayor say,  
Make them boys up some sammiches, they have had a long day.

For those who know me, you know this is crap,  
My husband is home with me nestled in his lap!

Merry Christmas and Happy New Year  
From the Mitchell's and the SHS Angels!  
Thank you for another Blessed Year!

# Funny Bones

A few days after Christmas, a mother was working in the kitchen listening to her young son playing with his new electric train in the living room. She heard the train stop and her son said, "All of you sons of b\*tches who want off, get the hell off now, cause this is the last stop! And all of you sons of b\*tches who are getting on, get your asses in the train, cause we're going down the tracks."

The mother went nuts and told her son, "We don't use that kind of language in this house. Now I want you to go to your room and you are to stay there for TWO HOURS. When you come out, you may play with your train, but I want you to use nice language."

Two hours later, the son comes out of the bedroom and resumes playing with his train. Soon the train stopped and the mother heard her son say, "All passengers who are disembarking from the train, please remember to take all of your belongings with you. We thank you for riding with us today and hope your trip was a pleasant one. We hope you will ride with us again soon."

She hears the little boy continue, "For those of you just boarding, we ask you to stow all of your hand luggage under your seat. Remember, there is no smoking on the train. We hope you will have a pleasant and relaxing journey with us today."

As the mother began to smile, the child added, "For those of you who are pissed off about the TWO HOUR delay, please see the b\*tch in the kitchen."

Two young boys were spending the night at their grandparents the week before Christmas.

At bedtime, the two boys knelt beside their beds to say their prayers when the youngest one began praying at the top of his lungs.

"I PRAY FOR A NEW BICYCLE..."

"I PRAY FOR A NEW NINTENDO..."

"I PRAY FOR A NEW STEREO..."

His older brother leaned over and nudged the younger brother and said, "Why are you shouting your prayers? God isn't deaf."

To which the little brother replied, "No, but Grandma is!"

Two Generals were preparing for battle. The first General calls his aide and says "Bring me my red uniform!" The other General asks why he would wear a red uniform. The first General explains that if he gets wounded then his soldiers won't see the blood and lose their courage. The other General thinks about this, then calls to his aide "Bring me my brown uniform!"

A married couple were golfing when all of a sudden the wife asks, Wife: "Babe, if I die will you marry again?"

Husband: "Of course not."

Wife: "I think you would."

Husband: "Fine, I probably will"

Wife: "Will you let her sleep in our bed?"

Husband: "Yeah, probably I guess."

Wife: "Would you even let her use my golf clubs?"

Husband: "No way, she is left handed."

A millionaire, a hard hat, and a drunk are at a bar. When they get their beers, they notice a fly in each mug. The millionaire politely asks the bartender for another beer, then proceeds to sip it. The hard hat spills out just enough to get rid of the fly and quaffs the rest. It's now the drunk's turn. He sticks his hand into the beer, grabs the fly by the wings, and shouts, "Spit it out! Spit it out!"

Some Texans are mingling at the bar when an Oxford graduate walks in. "Howdy, stranger," one Texan says. "Where are you from?" The Oxford graduate answers, "I come from a place where we do not end our sentences in prepositions." "Oh, I'm sorry," replies the Texan. "Where are you from, *jackass*?"

## FOUR GENERATIONS OF SERVICE AT MATTHEWS, INC.

The Seabreeze News visited one of our longtime advertisers, Matthews, Inc., to get some much-needed tires for the Seabreeze fleet. Dear Steve got his tires there and always talked about what a quality operation it was.

We were greeted by James A. Matthews, III, who goes by Trey. Trey filled us in on some history of this family owned and operated business.

Matthews, Inc was founded in 1942 by James A. Matthews, Sr. He moved the business to the current location at 531 Texas Ave in 1945.

In the early 1960s James A. Matthews, Jr, also known as Ossie, came to work at the family business. In the late 1990s, James A. Matthews, III joined the family business. Ossie is still hanging around the tire shop. Fourth generation Matthews, Hunter and Fisher, are now working there as well.

Not only does Matthews put tires on cars and trucks at a great price, they also have a county wide-road service, as well as servicing the refineries with commercial fuel and tires.

Getting tires at Matthews was a quick and pleasant experience mixed in with some family history. If you're looking for new tires for your vehicle, be sure and go to Matthews, Inc. You won't be disappointed.

## Holiday Hosting Tips & Tricks

As we enter the season of hosting and holiday events, here are a few things to keep in mind with regards to impact on the water and sewer systems:

- With more people in the home, you're likely to see an increase in your usage. Since we bill in arrears, this increased usage will be reflected on your bill a couple of months from now, so be prepared for that potential increase!
- As you're preparing all those tasty meals, remember to always properly dispose of grease and food scraps! While it may seem simpler to just pour the grease down the drain or let your disposal take care of grinding up those leftovers, a sewer system is mainly designed for wastewater. Food scraps and grease can build up in the collection system, causing backups for you and your neighbors! Always put grease in the fridge or freezer then throw it into the trash, & throw food scraps into the trash as well.
- Call the District's emergency number in the event of an issue after hours or during holiday closure. Feel free to call the office and leave a message if it's not an urgent need, but contact (281) 779-4043 with any concern that warrants immediate attention by the District's staff and we'll address your concerns as soon as possible!

Please do send your fishing & hunting pictures. We need you to tell us who the people are in the picture, who and where they caught the fish, how much it weighed, when it was caught, what kind of fish it was, what kind of beer and bait the angler was using, and any other pertinent information you want to see printed in the paper.

Ever since our crystal ball got lost in Hurricane Ike, we have no way of knowing these vital facts unless you tell us!

# BAIT BUTLER™

"The Gift That Keeps On Giving"

## Revolutionary **NEW** Live Bait Retrieval System

**STOP FISHING FOR BAIT. START FISHING SMARTER.**

**Integrated Lid System Fetches Live Bait and Brings it to the Surface for Easy Selection.**

The revolutionary new live bait retrieval system – the Bait Butler™ solves the #1 problem of fishing with live bait: fishing for bait in order to bait the hook to fish. Yes, it's a mouthful. And a hassle. It shouldn't be. THE STRUGGLE STOPS HERE.

The unified lid system designed to fit any standard 5-gallon bucket (not included) features a built-in pull rod activated net that quickly and efficiently collects bait and brings it to the surface for easy selection. The Bait Butler conveniently combines the net, lid, and aerator into one unified system that can easily be detached for refreshing the water without losing bait.

## SIREN SONG

**THE INSIDE SCOOP!** The Seabreeze has learned that scenes for a *made for television* series entitled **SIREN SONG**, penned by our own San Leon author, **George Dismukes**, will be shot at the Pier 6 Seafood Restaurant, right here in San Leon.

We aren't allowed to say who (yet), but two major stars will highlight the series.

Oklahoma businessman, Larry Oesterman has been chosen as point-man and Executive Producer of the project. Houston film producer, Craig Loper will direct.

The film business has undergone a dramatic change in the past few years. And now, almost every movie theatre in the United States is closed due to COVID. The movie business has therefore transitioned to television and streaming services. This metamorphosis has also drastically changed distribution of movie products, which Hollywood used to control with an iron fist, allowing heretofore talented production companies to emerge and flourish.

SIREN SONG is slated to produce a thirteen-part series, but it is the hope of the SIREN SONG producers that it will be picked up for a minimum of three seasons.

In 1974 Rex hitchhiked his way to Texas where he spent most of his life right here in the heart of Clear Lake area. He knew so many great people and got to experience all that life had to offer. In the end, his greatest treasure, was riding his motorcycle with the Texas Lone Star Bikers group and getting to be a true San Jacinto High Roller where his brothers called him by the name T-Rex.

Rex is survived by his children, Monica, Rex Jr, Jenna, Tony, Raymond, Kirsten, and Lexie. Grandchildren, Christian, Brittany, Kolton, Carson, Koby, Kash, and Klaus. For unto you is born this day in the city of David a Savior, who is Christ the Lord. And this will be a sign for you: you will find a baby wrapped in swaddling cloths and lying in a manger.” And suddenly there was with the angel a multitude of the heavenly host praising God and saying, “Glory to God in the highest, and on earth peace among those with whom he is pleased!”

Luke 2:11-14 ESV

WOULD

YOU

BELIEVE??

Would you believe there was once a Train Station and round house in San Leon, Texas? The original plan was to haul cattle across the bay to Smith Point and from there to Kansas City, Missouri. At the same time, Houston was making plans to dredge the channel. It was a battle as to build a trestle from San Leon across the bay to Smith Point or dredge the channel in Houston. Houston won the battle. The railroad track ran behind where the American Legion is now and on to Hillmanville. However, it did bring passengers from Houston and Galveston to the San Leon Hotel for prospects of buying parcels of land from the San Leon Land Co.

The train station was located on the south side of Broadway across from the hotel on 9th Street. There was an artesian well in the intersection of Broadway and 9th Street where the residents of San Leon would get their water, as the well was free flowing. Galveston County closed the well in the early 1950s. Broadway east of 9th St. was well landscaped and lined with beautiful palm trees and the street was paved with brick from the local brick factory. Guests of the hotel often strolled east on Broadway to the water’s edge to view beautiful Galveston Bay.
